

## Western Unity Becomes Major Big 3 Problem

By JOHN M. HIGHTOWER  
WASHINGTON (P)—Big Three leaders meeting next month will face a critical test of their ability to forge new Allied unity for firm dealing with Russia—in or out of a conference with Soviet Premier Malenkov.

Unless they can close ranks, some observers here doubt that they would dare undertake subsequent Big Four negotiations and give Russia an opportunity to try to exploit their differences.

Presumably they will also have to decide on what terms they might be able to do business with Malenkov—what they could offer and what they could request in the event of a Big Four conference.

That the Western Alliance is beset by difficulties and differences became apparent all over again yesterday.

**Time Will Be Lost**  
Hardly had the announcement been made that President Eisenhower, Prime Minister Churchill and French Premier Mayer would meet about mid-June, probably in Bermuda, when Mayer's government collapsed.

His was the 18th French Cabinet since World War II liberation. Some time, diplomatically speaking, will now be lost while France puts together a new Cabinet—time which might have been used in working up an agenda for the conference and carrying on preliminary diplomacy.

In the very announcements about the conference, differing views became clearly apparent. Mayer said the three would discuss the feasibility of a session with Malenkov, and Churchill said he hoped the meeting would pave the way to such a session.

But in Washington the White House steadfastly declined to link the meeting of the three with a possible Big Four get-together.

President Eisenhower took the initiative in suggesting the Big Three talk. The White House announcement said it would be an "informal high-level meeting." Indications were that the President had developed the idea into a decision Wednesday with unusual speed.

**Rift Benefits Russia**  
The preliminary considerations have not been disclosed. But it is known responsible officials have been increasingly concerned that the Western Powers were pulling apart and that such a situation could benefit only Russia.

Recent differences, all of which seem likely to come up in some manner, include the transatlantic word battle between Sen. McCarthy (R-Wis.) and Labor Party Leader Clement Attlee, French and British support for a meeting with Russia under conditions not favored here, British advocacy of eventual Red Chinese membership in the United Nations, and some

## Quit Bellyaching, Democrats Told

WASHINGTON (P)—Rep. Bender (R-Ohio) advised the Democrats today: "Stop bellyaching if your office holders are losing their jobs. The shoe's on the other foot now."

Bender prepared a speech for the House in which he quoted these as the words of James A. Farley, Democratic national chairman in 1933:

"Patronage is a reward to those who have worked for party victory. . . . A Republican office holder has a chance of reappointment—but he has two strikes on him. If he knows more about his job than anybody else, he will hold his position. But if there is a Democrat just as well qualified, the Democrat will get the job."

Bender said this quotation appeared in the American magazine just after the Democrats took over from the Hoover administration.

## Weather

Reported by U. S. Weather Bureau

**UPPER MICHIGAN:** Mostly cloudy and cool tonight. Saturday partly cloudy and a little warmer.

**ESCANABA AND VICINITY:** Mostly cloudy and continued cool tonight, low 40°. Saturday partly cloudy, high near 60°. Wind, east to northeast 5 to 10 mph to night and Saturday morning.

**High Low**  
**ESCANABA:** 59° 37°  
**High Temperatures Past 24 Hours**  
Alpena . . . 81 Marquette . . . 65  
Battle Creek . . . 83 Miami . . . 68  
Chicago . . . 78 New York . . . 71

Lansing . . . 80 Traverse City . . . 76  
Los Angeles . . . 69 Washington . . . 79

**PLANE FINDS LOST CHILD**—Missing for two days and two nights Beverly Kay Bradley, 2½, (above) was found safe and alive by a coast guard helicopter today, about a mile from her grandparents' summer cottage north of Menominee. The child strayed into the brush country just off highway M-35 near Ingalls around noon Wednesday, and had been hunted by a posse of about 300 using bloodhounds and spotter planes. The helicopter spotted the little girl about noon today and picked her up, taking her to St. Joseph's hospital in Menominee.

## Air Power Sacrificed On Altar Of Politics, Californian Charges

By RUSSELL BRINES  
WASHINGTON (P)—The Air Force, ending public silence on heavy budget reductions, was quoted as saying President Eisenhower's new 120-wing goal would cut air power well below the "absolute minimum" for national security.

An Air Force report on the effect of cuts—totaling five billion dollars in the service's budget for the fiscal year starting July 1—was inserted in the Congressional Record yesterday by Rep. Yorty (D-Calif.). He did not say where in the Air Force he got the report. But in an accompanying statement, Yorty declared:

"Alleged friends of adequate defense . . . are preparing to sacrifice air power on the altar of irresponsible political promises."

**Scrap Indicated**  
The report, which Yorty said was supplied at his request, appeared to herald a strong fight in Congress to restore some of the cuts proposed in Air Force spending and new appropriations for next year.

Sen. Margaret Chase Smith (R-Me.), meanwhile, sent Secretary of Defense Wilson a "show me" set of 32 critical questions aimed at the administration proposal to trim Air Force funds. There was no immediate reply from Wilson, who was out of the capital.

Mrs. Smith said Congress will not agree to the proposed cutback

## Bodies Robbed In Idaho Crash

OGDEN, Utah (P)—The possibility that victims of a South-eastern Idaho plane crash were robbed by some of the soldiers sent to guard their bodies is being investigated today by officials of the Utah General Depot.

Col. L. L. Skinner, depot commander, announced that three soldiers are in custody at the Depot pending investigation of allegations that certain personal property is missing from the scene of the crash where 37 returning Korean veterans and three civilian members of the crew met death last Jan. 7. Their C46 plane smashed against a mountain side near the Utah-Idaho border.

The men being held are members of a military detail sent to guard the crash. Only recently did Army officials begin to bring the bodies down from the crash site. Deep snow had prevented removal earlier. Some of the bodies still are buried.

## New Commodore

NEW YORK (P)—Capt. John W. Anderson, skipper of the world's fastest ship, the United States, is the new commodore of the U. S. Lines fleet.

Anderson, 54, a seaman for 38 years, succeeds Commodore Harry Manning, who retired early this month, the line announced last night. The fleet includes the liners United States and the America and 46 cargo vessels.

# Port Huron-Sarnia Tornado Kills 5; Loss In Millions

## Bi-Party Hookup Suggested For Big 3 Meeting

By JACK BELL  
WASHINGTON (P)—Sen. Wiley (R-Wis.) proposed today that President Eisenhower temper possible congressional criticism of Big Three conference decisions by taking along representatives of both parties.

Eisenhower will be under pressure from lawmakers on several vital issues to be discussed with Prime Minister Churchill of Great Britain and whoever is French Premier at the time of the mid-June meeting, probably to be held in Bermuda.

**Might Help Congress**  
Wiley, who heads the Senate Foreign Relations Committee, said in an interview he believes the presence of a Republican and a Democratic congressional leader as conference observers "might help give Congress a better understanding of the problems faced by our Allies."

One of these problems is an apparent determination by Great Britain to back Communist China's bid for a seat in the United Nations as part of the price for a settlement in the war.

Wiley has joined a group of Republican senators publicly committed to opposing Red China's U.N. entry under any circumstances. In a speech here yesterday he said there must be no "appeasement" of Communist aggressors.

"We cannot reward Communist gangsterism by admitting the Chinese Communist regime to the United Nations," he declared. "Nor should we yield in the slightest our strong opposition to the forceful repatriation of prisoners of war in Korea."

**Two Big Issues**  
Sen. H. Alexander Smith (R-N.J.), a foreign relations committee member, said those two issues are likely to assume paramount importance in the Big Three conference.

"The British seem to believe that admission of the Reds to the U.N. would pull them away from Russia," he said. "Many of us think that our recognition of Peiping would cause Asian countries to jump on the bandwagon and would undo all we have tried to accomplish in the Far East."

## Democrats Give No Hint Of Supporting Profits Tax Request

By CHARLES F. BARRETT  
WASHINGTON (P)—House Democratic leaders today shielded away from even a hint of support for President Eisenhower's request to extend the excess profits tax on business for six months.

If the proposal gets out of the tax-writing House Ways and Means Committee, said a leading Democratic member who asked not to be named, reluctant Republicans will have to provide most of the votes.

"The time has come for us to quit pulling the President's chestnuts out of the fire," he said. "Republican committee members will have to carry the ball on this one."

Several other Democrats on the committee privately took this stand after a caucus late yesterday with Democratic Leader Rayburn of Texas and other party strategists. Their attitude was significant. Republicans had counted on support from probably eight of the 10 Democrats on the ways and means committee for extension of the profits tax, now due to expire June 30. Without such support, there was no assurance of enough votes to clear the bill.

## Siamese Twins, 41, Both Get Anesthetic; Only One Has Operation

BOSTON (P)—Miss Margaret S. Gibbs will undergo an abdominal operation Saturday, but her sister Mary also has to be anesthetized because they are Siamese twins, joined near the base of the spine.

The Holyoke twins of 41 entered the New England Deaconess Hospital Thursday to prepare for the operation.

The sisters are said to be the only American-born Siamese twins to live to the age of 41.

## Deadlock Delays Adjournment For Lansing Lawmakers

LANSING (P)—A House-Senate deadlock over fiscal strategy today blocked plans to adjourn the 1953 legislative session at midnight tonight.

The prospects were the session now will run until June 4 or later. The deadlock resulted when the House refused to pass \$337,000,000 worth of appropriation bills until it knows whether Gov. Williams will sign the new \$35,000,000 business receipts tax bill.

**House Balks**  
The House tried yesterday to get the Senate to agree to extending the session until June 4, but the Senate refused. It did agree to let the House have until noon today to pass its appropriation bills, measures which should have cleared the House last Tuesday under legislative rules.

The Senate plan would have left 12 hours for settlement of House-Senate differences over the budget measures.

## Handyman Gets Life As Slayer

BRIDGEPORT, Conn. (P)—Negro handyman William Davis, 29, begins a life term in Wethersfield State Prison today for the slaying of his blonde employer with whom he claimed intimacy just before her death.

Only a Superior court jury's recommendation of mercy after finding Davis guilty of first degree murder yesterday saved him from the electric chair.

Under the jury's recommendation, Davis could never be paroled. The jury of seven women and five men deliberated less than four hours.

The 29-year-old self-confessed killer said he strangled and stabbed the 30-year-old ex-actress and socialite in the bedroom of her Westport home on Jan. 26 after drinking and being intimate with her.

## Bonds For Mackinac Bridge Expected To Go On Market Soon

NEW YORK (P)—Mackinac Bridge Authority's \$6 million dollar revenue bond issue may be in the market within the next two or three weeks, B. J. Van Ingen & Co., said today.

Van Ingen is slated to head an underwriting syndicate to bid for the obligations.

Michigan's Legislature has given immediate effect to a bill providing \$417,000 annually in state highway funds for operation of the proposed span across the Straits of Mackinac.

## Helicopter Finds Girl Lost In Menominee County Woods

MENOMINEE (P)—Little 2½-year-old Beverly Kay Bradley—missing two days and two nights in the upper Michigan bush country—was found alive and in good condition about noon today.

Officers in the posse reported by radio that a Coast Guard helicopter which joined the search at 10 a. m. spotted the little girl in the woods about 1 mile from the grandparents' cottage.

The aircraft picked her up and returned her to St. Joseph's Hospital here. Ground searches reported that the tot, who strayed from the cottage yard just 48 hours earlier, was in good condition.

The 2½-year-old Milwaukee tot strayed from the yard of her grandparents' cottage Wednesday noon. Hundreds of volunteers, covering and recovering the swamp-dotted woodlands in arduous arm-in-arm sweeps, had been unable to find a trace of the child.

**Father Arrives**  
However, a large female black bear with two cubs was flushed

from the brush within two miles of the cottage yesterday, and Sheriff Edward Reindl issued the shoot-to-kill order today. Black bears ordinarily will not attack humans, but an old sow and young has been known to catch and devour children. The peninsula had one such case last year.

Meanwhile, Beverly Kay's father, Paul A. Bradley of Greenville, Ohio, joined the hunt after a harrowing dash from his home in which his car left the road and overturned at Plymouth, Wis. Not seriously injured, he was brought the rest of the way to Menominee by relays of sheriffs' cars.

**Schoolboys Help**  
A Coast Guard helicopter from Traverse City joined private aircraft in the search today.

Officers and hundreds of volunteers, joined by school boys excused for the occasion, made their fourth trip over the ground today—enough of them so each man had only a few feet of ground to scan. Yesterday more than 300 volun-

**QUITS 'VOICE'**—News commentator Raymond Gram Swing packs his briefcase in New York after announcing his resignation as chief political analyst of the Voice of America. Swing charged that the Voice had been crippled, "perhaps beyond recovery, by slanderous attacks on its integrity." (NEA Telephoto)

## Arizona Girl, 13, Champion Speller, Visits President

WASHINGTON (P)—President Eisenhower today told the new national spelling champion, 13-year-old Elizabeth Hess, that as a small boy he was moved down by the word "syzygy" in a spelling bee.

Elizabeth, an eighth grader from Phoenix, Ariz., won the championship here yesterday by spelling "soubrette" correctly after spelling down runner-up Raymond A. Sekolov of Detroit on "permaceti."

She and her mother called at the White House today and spent about 15 minutes with the president.

I was very much impressed," the bespectacled Elizabeth told reporters, "he was very friendly."

## Raging Louisiana Flood Passes Peak; Eight Persons Dead

By JAMES MCLEAN

LAKE CHARLES, La. (P)—The crest was passing slowly on the raging Calcasieu River here today but waters that forced 2,000 families from homes were expected to hold a peak level for several hours.

The highest flood in 40 years in this Southwest Louisiana city of 50,000 caused two million dollars property damage and cut the last highway link with the outside world.

**Texas Town Menaced**

There were no casualties here but elsewhere in Louisiana eight persons had drowned since rain-swollen rivers and bayous began flooding the state late last week.

A big flood threat was building up at Orange, Tex., a city of about 50,000 population 35 miles southwest of here. The Sabine River, which divides Texas and Louisiana, was expected to crest at Orange about 6 a. m. (CST) tomorrow two feet over the severe 1945 flood.

Hundreds of Navy reservists in Southern Texas and Lake Charles and Texas National Guardsmen were called out to help fight the rampaging Sabine.

**Air Base Is Lake**  
The small sawmill town of Deweyville, Tex., north of Orange, already was swamped by the turbulent floodwaters.

Police used civilian volunteers to guard vacated houses in Lake Charles subdivisions to the east and north where the Calcasieu River spread over scores of acres. More than 600 homes were standing in floor-level water.

The huge Lake Charles Air Force Base two miles to the east, except for the flying field and its parked B29 bombers, was a solid lake of water ranging from ankle depth to waist deep.

U. S. Weatherman Paul Cook said the river crest was passing with a city dock reading of 9.22 feet, 5.22 feet above flood stage.

## Ridgway Warns Nation Of Peril

NEW YORK (P)—Gen. Matthew B. Ridgway, Supreme Allied Commander in Europe, says Russia's "peace" offensive hasn't lessened the peril of the free world.

"We stand in just as great peril as ever we stood before," Ridgway said last night in his first public address since he took over command of the North Atlantic Treaty Organization last year.

Ridgway, designated to become Army Chief of Staff, urged new, positive actions by the Western Allies to counter what he described as Russia's unchanged long-range objectives and implacable hostility.

He told a meeting of the American Council on NATO that Western strength has increased, but so has that of "our potential adversary."

"The discrepancy remains greater than could be overcome within the immediate future," he said, "unless we continue to make great efforts."

He said the West's major deficiencies are in manpower, supporting units and establishments, ammunition and "above all in planes."

## Houses Vanish As Twister Hits Border Cities

By A. F. MAHAN, JR.

PORT HURON (P)—Disaster crews today were lifting rubble of smashed homes and shattered buildings left in the wake of a tornado that took at least five lives.

The twin Canadian border cities of Port Huron and Sarnia, Ont., were struck by the storm late Thursday.

Scores were injured and damage was estimated in the millions.

City Manager J. F. Gibbs said damage to Port Huron alone might reach \$1,009,000, while across the St. Clair River in Sarnia, authorities estimated the loss at \$3,000,000.

The cities have a population of about 35,000.

The known dead are: SARNIA — Mrs. Margaret Clarke, 72, of Watford, Ont., who was injured while visiting relatives in Sarnia.

PORT HURON—Charles La Forest, 83, whose home four miles southwest of here was blown away. He lived alone.

SPRINGBANK, Ont. — Cross-roads 40 miles east of Sarnia—Simon Thompson, 50; his 6-year-old daughter Dorothy, and Miss Sarah MacIntosh, about 80. The storm shattered their homes.

Rescue workers dug into the debris on both sides of the border in a search for additional victims.

**Some Critically Hurt**  
Thirty-six persons were treated for injuries in Port Huron. Of the 12 hospitalized, five were listed in a critical condition.

In Sarnia, more than 50 persons were treated for wounds and 15 of them were hospitalized.

The storm spent its fury over Lake Ontario after hedgopping from Southeastern Michigan across Southwest Ontario Province. It left destruction along a 40 mile path.

The business district of the oil refining center of Sarnia bore the full brunt of the storm. Bulldozers had to clear away the rubble.

In the Port Huron area, damage

(Please Turn To Page 12, Col. 5)

## Tidelands Bill To Start Battle

WASHINGTON (P)—President Eisenhower signed the off-shore oil lands bill today with a declaration that "recognizing the states' claim to these lands is in keeping with basic principles of honesty and fair play."

Attending the White House ceremony were more than two score members of Congress.

They broke into applause when the president penned his signature to the hotly controversial measure, fulfilling one of his chief campaign promises.

The bill recognizes coastal states' title—which they already claimed—to submerged lands "within their historic boundaries" and has special reference to the oil rich lands off the shores of Texas, Louisiana, California and Florida.

## Council Adopts 1953-54 Budget Of \$1,591,387

Escanaba City Council last night adopted a 1953-54 city budget totaling \$1,591,387.21, which is higher than the current fiscal year, but was able to cut the city rate for the coming year because of a flat 10 per cent boost in assessed valuations imposed by the Delta County Board of Supervisors.

Expenditures for the coming year will be \$54,862.46 above those this year, according to budget estimates; while the city tax rate total will be cut by \$1.75 per \$1,000 assessed valuation.

The present city tax rate total is \$17.44. For the fiscal year starting July 1 it will be \$15.59 per \$1,000 assessed valuation.

### Services Maintained

All city employees will receive pay increases in the coming fiscal year. The total amount budgeted for salaries is approximately \$560,000.

There will be on reduction in essential city services, despite the reduction in the tax rate. Although the street maintenance tax was cut by nearly two mills the city is planning the blacktopping of 14 blocks and the improvement of other streets.

Funds have been budgeted for the city's share in the cost of constructing an east-west runway at the city airport; for increasing the personnel of the police and fire departments; and to maintain the usual city services. Some of the increase in the budget will be offset by revenues from parking meters.

### Electric Rate Changed

James Doran, representing the city employees, and George Erdmann, representing city firemen, while not objecting to the budget, pointed out that salary increases to non-civil service employees were above and out of line with the 6 cents an hour pay boost the Council granted the civil service employees.

"The employees feel they are all underpaid compared to the city department heads," Doran told the Council.

The Council gave first reading to city utility rate ordinances and set the date of June 1 for second reading and adoption. Only change in the utility rate structure was in the electric rate for industry and in the service charge for suburban residential lighting.

Disagreeing with a recommendation of City Manager A. V. Aronson for a rate increase for large users of electric power in the residential and commercial brackets, Council decided to leave them unchanged for the coming year.

### Benefit Harnischfeger

The service charge for residential lighting customers living outside the city limits was increased from 60 cents to \$1 per month.

The Council accepted a revision of the industrial rate as recommended by the city manager, which will directly benefit Harnischfeger Corporation, the city's largest industrial power user.

Harnischfeger's monthly electric bill is about \$6,000 and in supplying this amount of power to one customer the city does not encounter the line and transformer losses and cost of service which would be the case with a number of customers using the same amount of power, the city manager explained.

### Other Utilities Same

For this reason, and to encourage industry, the industrial rate revision was recommended and accepted. The revised rate will reduce Harnischfeger's monthly bill by about \$300.

Gas, water and steam utility rates will remain unchanged in the coming year, the Council decided. No change was recommended by the manager.

The yacht harbor ordinance, fixing rates for city services there and regulating use of the harbor, provides for an increase in the fee to be charged by the city for the use of the spar hoist.

Appropriation and tax ordinances were given first reading and the date of May 29 was set for second reading and adoption.

## Harnischfeger Local Elects Officers

Harnischfeger truck crane and welder employees elected Maurice Harrison president of Local 632, UAW-CIO, during their annual election meeting this week.

Other officers elected include Dale Polkey, first vice-president; Gerald Bunno, second vice-president; Grant Nygaard, financial secretary; Robert Olson, recording secretary; Edward O'Leary, sergeant-at-arms; and Rose Meyette, three-year trustee.

The new officers will be installed at the local's next regular meeting, Sunday, June 14. The local will sponsor a pre-installation dance in Carpenter's Hall Saturday night, June 13. Groleau's Orchestra will play.

The truck crane and welder units will elect unit officers during June. A grievance committee and stewards will be elected for the respective units.

## Junior High Girls Stage Style Show

MODELING SISTER DRESSES in the Junior High style show were Nancy Lindquist and Susan Thorbjornsen (whose dress was also made by Miss Lindquist). Next to them is Judy Oman displaying her spring jacket and Dolores Kolich modeling her cotton dress. The girls made their costumes during their home economics classes. (Daily Press Photo)

"AN OLD DUTCH GARDEN" was the setting this afternoon in which the above Junior High Girls modeled their clothes. They are from left to right: Kathleen Gustafson, Jane Boucher, Sandra Peterson, Carolyn Michael, and seated on the floor is Freddie Sensiba. Mrs. Doris Swanson and Miss Marion Shane were directors of the show. The story is on a following page. (Daily Press Photo)

## Four-Lane Paving Called 'Damage'; Council Holds Up 'Improvement' Charge

Property owners of the 23rd and Ludington Street intersection area where the state is constructing a four-lane highway told the Escanaba City Council last night that they consider the project has damaged their property rather than improved it.

By written petition and personal appearance the property owners not only objected to the improvement or for paying for any part of it through special assessment, but they wanted to make sure their "damaged" curb strips are repaired.

The property owners said they had objected to the "improvement" and had no intention of paying any special assessment to finance any part of the project. They questioned the legality of such an assessment.

### Council To Decide

In anticipation of objections to such an assessment the City Council previously requested an opinion from the attorney general of Michigan. That opinion has not yet been received.

City Attorney James Fitzharris last night reported to the Council that in a telephone conversation with a member of the staff of the attorney general he was informed as follows:

That the City Council does have authority to levy a special assessment on the abutting property owners, if in the opinion of the Council it feels the project is for the general improvement of the city. The decision is for the Council to make.

Following discussion the City Council tabled the matter of a hearing on improvement until an official opinion is received from the attorney general.

### Objections Cited

Written objections were received from Lawrence and Evelyn Gauffin and from Mr. and Mrs. George J. Steinmetz.

Two petitions containing the names of about 26 property owners were filed and L. M. Fleming, representing the residents of the area, told the Council it is felt the four-lane paving "depreciates the value of our property."

The property owners did not petition for the paving and it was done without their consent, Fleming said.

Others appearing to object to the improvement were Joseph Schleis and Otto Wagner.

Objections included: That cars would not be permitted to park on the highway in the area; entrance and exit to the highway would be more difficult and hazardous; snow plowing would throw ice and snow into windows of residences.

Information was presented by

the city to show the necessity for the improvement and the need to assess the owners of abutting property.

### Sharing the Cost

Total cost of the four-lane paving project will be \$130,000. Of this total the city's share is \$27,000 and the city proposes to pay \$15,000 of this share and assess the property owners for the remaining \$12,000 to \$13,000.

The cost per front foot in assessment would be \$2.35, which is low compared to the \$4.50 paid by property owners on street blacktopping jobs, said City Manager A. V. Aronson.

If the city assumes all of the \$27,000 cost it will mean that four blocks of blacktopping elsewhere

in the city, for which the adjacent property owners have petitioned, will have to be cut out in the coming year, the city manager added.

"In other words," Mayor Robert E. LeMire asked Fleming, "you would have all of the taxpayers in Escanaba pay for the improvement at Ludington and 23rd?"

"That's correct," Fleming replied. "It would benefit them, but it is a damage to us."

Later in the meeting the Council granted permission to residents of 23rd St. near the intersection to place sidewalks seven feet from the property line, rather than the usual four feet, to leave wider front yards in the area.

Eagles often attack fishing ospreys, making them drop fish they have caught and then seizing the food; but sometimes a group of ospreys will attack an eagle and drive it out of the neighborhood.

## U. P. Bankers Here Tomorrow

A variety of banking topics will be discussed Saturday at the House of Ludington when bankers of the Upper Peninsula, organized as Group One, Michigan Bankers Association, hold their annual spring meeting.

Featured speakers will include B. P. Sherwood Jr., president of the Michigan Bankers Association and president of the Grand Haven State Bank, and P. H. Murdock, secretary of the Grand Haven Chamber of Commerce.

Bankers will register tonight and Saturday morning at the hotel. Saturday there will be a men's luncheon at 12:30 and a ladies' luncheon at the same hour. Bridge is scheduled for the ladies during the afternoon.

Following the luncheon, G. A. Dahlen, chairman of Group One and president of National Metals Bank, Ironwood, will preside at a program in the hotel dining room. The afternoon program follows: Sherwood will speak on "A Good Look at the Michigan Bankers Association."

Ralph L. Stickle, executive manager of the Michigan Bankers Association, will make an address announced as "Remarks."

Harry E. Mertz, secretary to the technical committee of the National Association of Bank Auditors and Comptroller will talk on "Internal Safeguards."

Henry M. Tibbitts, of the Harris Trust and Savings Bank of Chicago, will speak on "Pension and Profit-sharing Trusts" and will lead a discussion.

From 4:30 to 6 banks of Duluth, Minneapolis, St. Paul, Milwaukee, Chicago, and Detroit, which are correspondent banks of Upper Peninsula banks, will sponsor a social hour in the hotel's Marine Room.

Featured speaker at a banquet which begins at 6:30 will be P. H. Murdock. The secretary of the Grand Haven Chamber of Commerce will address the gathering on "Reflection and Projection."

**BIG WALLEYE**—Bill Eitenhofer of Escanaba had the best fishing luck on the opening day of the walleye season Thursday. He landed three walleyes, including a 27-inch, weighing 6 pounds, 2 ounces. Eitenhofer was fishing at the head of Little Bay de Noc.

## Scouts To Hold Spring Camporee

About 200 Boy Scouts of the Red Buck District, comprising Delta, Schoolcraft and North Menominee Counties, will participate in an annual spring Camporee at Swan Lake Saturday and Sunday.

District Scout Executive Andy Houston described the Camporee as a program of camping, overnight by Scout patrols under patrol leadership. During the Camporee, Houston said, Scouts demonstrate their ability to camp and to take part in Scouting projects under their boy leaders.

"The Scout troops, through their patrols, qualify for an agreed standard of proficiency," said Houston.

He explained the Camporee creates a knowledge of camping essentials in Scouts by dramatizing camping as a game.

Scouts will be judged on general items of good camping, on their ability to do campfire cooking, and on their participation in Scoutcraft projects, Houston said.

Highlight of the Camporee will be a Saturday night mass campfire in which all Scouts present will participate. Afterwards an Indian calling-out ceremony will be conducted to bring newly-elected members into the Order of the Arrow. Scouting's honor camping society, Houston said.

Rev. Wilbert Johnson of Rapid River and Father Coleman Higdon of Escanaba will conduct church services Sunday for Camporee Scouts.

Scouts from the following communities will attend the Camporee: Escanaba, Gladstone, Manistique, Carney, Nadeau, Powers, Spalding, Hermansville, Bark River, Rapid River, Nahma, Garden and Cooks.

### W. R. Smith Estate Auction Saturday

Antiques, collectors items and modern furnishings of the W. R. Smith estate will be auctioned at the Smith home, 316 S. 5th St., Saturday beginning at 10:30 a. m. ## Band To Enter Legion Parade

The Escanaba Municipal Band was authorized last night by Escanaba City Council to enter the U. P. Legion convention parade to be held June 20 at Menominee, as requested by Cloverland Post of the Legion of Escanaba.

The Legion post will pay the cost of transportation and the city will pay the bandmen for their time.

In other business before the Council the following action was taken:

Accepted the bid of Sid Richardson Gasoline Company to supply the city with propane gas for the coming year at a price of 3 and three-quarter cents per gallon. The bid was one of six previously received and analyzed by the city manager.

Accepted the recommendation of the Civil Service Commission establishing set rates of pay for equipment operators.

Referred back to the Planning Commission, with a suggestion it consult with the city attorney for an amendment to the city ordinance, the proposed plan for the setting of a date for enforcement of the zoning ordinance regulating non-conforming uses.

Referred to the Planning Commission a request by Mr. and Mrs. E. J. Kallio to purchase city-owned land west of the overpass as the site for a local business. The Commission is now studying a plat for the area.

Adopted a resolution transferring \$59,069.54 in utility revenues to the general fund. The report revealed a loss of \$9,099.12 in the gas utility for the third quarter of the fiscal year.

Referred to the Board of Appeals a request of the Delta Broadcasting Company for permission to build a 20-foot extension on its building at Sand Point. The question of a 99-year lease of the site will be considered later by the Council.

Set the date of June 24 for a meeting of the Council so its meeting will not conflict with the June 18-19 Upper Peninsula meeting of the Michigan Municipal League at Houghton. Mayor Robert E. LeMire will preside at the opening session, and other councilmen may attend.

Accepted a petition for an extension of water mains west on S. 23rd St. and west of the golf course and referred it to the city engineer for costs and estimates.

Accepted and placed on file a letter from the Gladstone Chamber of Commerce asking Escanaba City Council name an "official" representative to the Hospital for Gladstone authority. The Escanaba Council pointed out that no list of names of Escanaba persons interested in the project has been received, as promised by Gladstone hospital spokesmen several weeks ago.

Authorized the expenditure of approximately \$300 to improve the Little League baseball field.

It has been estimated that the United States will reach a population of 200 million well before the end of this century.

## Reginald Call Of Detroit Dies, Funeral Today

Reginald Call, 44, of 7396 Grandville, Detroit, a former resident of Gladstone and Escanaba, died unexpectedly Wednesday of a heart attack. He was a son of the late Mr. and Mrs. Milton Call, long-time residents of Gladstone.

Mr. Call attended the Gladstone public schools. He was in the restaurant business in Escanaba at one time and also was employed by Montgomery Ward & Co., and the Delta Hardware Co., here. He and members of his family were close friends of the Cleave Moores of Escanaba and the Arne Andriassens of Wells and visited with them here every summer.

He leaves his wife, two sons and two daughters and one sister, Mrs. Catherine Call, of North Adams, Mich.

Funeral services were held today at 1 p. m., at Detroit.

## New York Convention Plans Announced To Escanaba Kiwanians

Delegates of the Escanaba Kiwanis Club to the 38th annual convention of Kiwanis International at New York City in June will meet with over 15,000 fellow Kiwanians from every section of the United States, Canada, Alaska, and Hawaii, according to club president Harold Gasman.

Outlining the program for the five-day convention, June 21-25, he said an exceptional panel of speakers and an elaborate program of entertainment await New York-bound Kiwanians.

Such well-known personalities as Thomas E. Dewey, Governor of the State of New York, Albany New York; Ambassador Henry Cabot Lodge Jr., United States Representative to the United Nations, New York; Matthew Woll, Vice-President of the American Federation of Labor, New York; George V. Denny Jr., former moderator of the "American Town Meeting," New York; Dr. Ralph W. Sockman, Pastor of Christ Church of New York; Frank G. Clement, Governor of the State of Tennessee, Nashville, Tennessee; Gratton O'Leary, Vice-President of the Ottawa Journal, Ottawa, Ontario; Kiwanis Past International President Bennett O. Knudson, President of Radio Station KATL, Albert Lea, Minnesota; Vincent R. Impellitteri, Mayor of the City of New York; and Herman W. Steinkraus, Past President of the United States Chamber of Commerce and President of Bridgeport Brass Co., Bridgeport, Connecticut, will address sessions of the convention in New York's Madison Square Garden, the scene of

## Wright Loses In Court Suit

A jury this morning in Circuit Court found in favor of H. J. Norton Co. of Gladstone and the Michigan Mutual Liability Co. in the suit of the two companies against Melvin Wright, Gladstone.

The jury awarded both companies the full judgments the companies had requested. Michigan Mutual Liability Co. was awarded \$549.47 and H. J. Norton Co. was awarded \$50.

The case grew out of an auto collision which allegedly occurred April 14, 1951, at 12:30 a. m. on US-2 in Brampton Township, near Days River Bridge.

The plaintiffs claimed that James Boyer, 1422 N. 22nd St., Escanaba, was driving a car owned by the Norton Co. along the highway when Wright backed onto the highway into Boyer's path.

Wright claimed his car was parked on the shoulder on its own side of the road when Boyer's auto crashed into it.

The two companies were represented by Clair J. Hoeft of Gladstone, R. W. Nebel of Munnings represented Wright.

There will be no more jury cases until June 24, when Judge Glenn W. Jackson of Gladstone has scheduled an extension of the present term of court. A heavy load of jury cases forced the extension.

County Clerk William E. Butler is clerk of the court.

many a famous show and sports event.

A large group of Kiwanians will comprise the delegation from the Wisconsin-Upper Michigan district of this international community service organization. Official convention delegates of the Escanaba club will be announced shortly.

## Briefly Told

**Motorists Ticketed** — Escanaba police have issued traffic violation tickets to the following motorists: William Courneene, 1031 Stephenson Ave., disobeying stop sign; Charles A. Johnston, 711 Ludington, disobeying stop sign; Mrs. A. Brannstrom, Wells, disobeying stop sign.

**Escapes Injury** — Miss Marion J. Olson, Gladstone Rte. 1, reported to Escanaba police that her car struck a child in the 1400 block, 14th Ave. N., at 7:15 p.m. yesterday when the child ran into the street. Police said the child, five-year-old daughter of Mr. and Mrs. George Dubord, 1407 N. 19th., was uninjured.

**Taken To Hospital** — David Young, 3 son of Mrs. and Mrs. Levi Young, 112 Stephenson Ave., was taken to St. Francis' hospital last night by Escanaba firemen after the firemen were called when the child was unable to breathe. The inhalator was not used. The child had been ill, but today was reported improved.

**Marriage Licenses** — Couples applying for marriage licenses at the office of the county clerk include Daniel Cayer, Trenary, and Viola Franklin, Trenary; Alger H. Strom, 601 N. 9th St., Gladstone, and Mary Ann Bradaric, 1705 Ludington St., Escanaba; and Michael Cass, 211 S. 11th St., Escanaba, and Joy Baldwin, 322 N. 14th St., Escanaba.

## Plan Meeting Of Carpenters

A meeting of Local 1832 of the Carpenters Union with district council officers and local contractors concerning the labor dispute is scheduled for tonight at 7:30 at Carpenters Hall, it has been announced.

At a meeting of the Upper Peninsula Contractors Association held in Iron Mountain yesterday, 48 members of the association and independent contractors unanimously agreed to stand behind their offer to the unions of 10 cents per hour increase which was offered prior to strike action taken by some of the unions. The contractors met to discuss previous negotiations with carpenters, laborers, truck drivers and operating engineers' union.

## Editorials—

### Karas Concerts Showed Variety, Quality Of Local Musical Talent

THOSE who attended the Karas Memorial concerts Tuesday and Wednesday evenings—and there were upwards of 1300 for the two shows—were genuinely impressed with the quality and the variety of musical talent in Escanaba.

The program was excellent from beginning to end. It is particularly appropriate to point out that a large number of the musicians who participated in the program received some of their musical training from the man whom they were honoring in the concerts, the late Frank Karas.

It was a grand concert, featuring such outstanding local musical groups as the Escanaba City Band, the Escanaba string ensemble, the Escanaba High School orchestra, the Barbershop Chorus, the Orpheus Chorus and, of course, the talented

soloists, Mrs. Gossan, vocalist, and Elie DeDryver, cellist.

All of the participants deserved and received enthusiastic applause. Special mention, however, should be made of the work of the Escanaba City Band. The band looked sharp in the new uniforms and they played a program of music that caught the fancy of the audiences. The band was tops.

### Need For Blood Is Very Urgent

WITH a war in Korea, the always present menace of atomic bombs at home and a great expansion in the normal civilian fight against disease and natural disaster, it shouldn't be necessary to argue for the National Blood Program.

Out of every 100 wounded soldiers who reach aid stations behind the lines in Korea, 98 are saved. This remarkable record, unequalled in any other war, is a great tribute to the care given by our Army medical services today. But the overriding reason for their success is the availability of whole human blood.

The authorities say there is absolutely no substitute for whole blood therapy in treatment of wounded men.

For another thing, the program, established now within the Office of Defense Mobilization, at the instigation of President Eisenhower, is trying to create a blood reserve big enough to see the nation through any possible disaster at home.

Officials estimate that if just one of our major cities were atom-bombed, 120,000 units of whole blood or its derivatives would be needed in the first 72 hours. Multiply that figure by the dozens of large cities in America and you get some notion of the scope of this plan.

Actually ahead of this on the priority scale, however, is the allocation of whole blood and derivatives for immediate needs at home, not only big disasters but automobile accidents, surgery, childbirth and various illnesses.

Only recently, scientists have learned that gamma globulin, a blood derivative, is effective in modifying the dread paralysis that frequently follows polio. In the polio seasons ahead, the demand for this new safeguard will be tremendous.

Even if the war in Korea should end next week, the continuing need for blood for civilian use, and for the disaster reserve, means the help of every healthy American is called for.

You can give your blood once every three months without ill effects. Maybe you feel you've been dunned too hard for money by the charities. But this is different. Nothing you can do will give you deeper satisfaction at having contributed importantly to the health and safety of your fellow American.

Start the blood-giving habit right now.

### Questions and Answers

By Congressional Quarterly  
Q—Has Congress considered banning discrimination by labor unions, as well as by employers?

A—Sen. Irving M. Ives (R-N. Y.) and 10 other Senators have introduced a proposal to amend the Taft-Hartley Act by declaring racial, religious, color, or national origin discrimination by either labor unions or employers an unfair labor practice.

Q—Can information obtained in telephone wiring tapping be used as evidence in federal courts?

A—Such evidence is not admissible in federal courts, but a House Judiciary Subcommittee is considering bills to permit limited court use of wire-tap evidence in national security cases.

### Merry-Go-Round

By DREW PEARSON

WASHINGTON—One of the most amazing feats of lobbying in Washington took place a few days ago when a fast-talking airline lobbyist got the Civil Aeronautics Board to reverse itself and abandon an investigation into passenger fares.

This is the fourth time in the CAB's history that it has started to probe passenger rates, but, each time, the big airlines have managed to block the investigation before anything happened. Yet the CAB is required by law to regulate airline fares and protect the public from overcharging.

The latest investigation was launched last year to decide the following questions:

(1) Should the airlines be permitted to charge fares based on capital investment rather than actual operating costs; (2) Was the new dollar-per-ticket increase fair to passengers taking short flights; and (3) Should the airlines set aside profits in good years to offset losses in bad years, rather than depend on the government to bail them out?

The airlines put up such resistance to the investigation, however, that the CAB agreed to reconsider it last month on the grounds that a new Republican member had been appointed. The vote was taken behind closed doors on April 10. However, the new appointee, Harman Denny, voted with Commissioners Josh Lee and Joe Adams to continue the probe. As usual, Commissioners Oswald Ryan and Chan Gurney voted with the airlines.

Then the Air Transport Association's persuasive lobbyist, Stuart Tipton, got busy. He called on the new commissioner and turned on the charm. By April 27, the impressed Denny switched his vote, again behind closed doors. The formal notice that the investigation was off wasn't announced until May 14.

Denny admitted to this column that it was Tipton who had changed his mind.

"I have great admiration for Tipton's judgement," Denny declared.

He argued that the CAB could achieve the same results at less cost through a study rather than an investigation. He admitted, however, that the staff could not cross-examine the airline representatives and could not recommend any action in a routine study.

It would appear that the CAB is more interested in protecting the airlines than the public.

Note—The big airlines receive 90 per cent of their income from passenger service. Yet passenger rates still have never been investigated.

### ECONOMY AX THREATENS

The President's brother, Dr. Milton Eisenhower, was able to save land-grant colleges from the chopping block inside the budget bureau, but couldn't stay the economy ax wielded by house appropriations Chairman John Taber.

Since 1935, the federal government has been chipping in to aid the nation's land-grant colleges. Under the Truman budget, next year's handout was supposed to be \$2,501,500, but President Eisenhower's budgeteers automatically slashed this in half, to \$1,260,750.

However, they failed to reckon with the new head of the American Association of Land-Grant Colleges, who turned out to be none other than President Eisenhower's brother, Milton. Once this information got around, budget boss Joe Dodge hastily revised the land-grant budget back up to \$2,501,500, and forwarded a private letter to the house appropriations committee, pleading for a restoration of the funds he, himself, had carelessly hacked in half.

The congressmen, however, were more impressed with his original arguments, and not only slashed the land-grant budget in two, but cut it out altogether.

Note—Only hope for the land-grant colleges now is for the senate to restore the cut.

### CIO-AFL MERGER?

Most people know the CIO Auto Workers' boss, Walter Reuther, whose name has been in the headlines, but not as many have heard of the A. F. of L. Auto Workers' boss, Lester Washburn. However, he may be the labor statesman who will bring the CIO and the AFL together.

CIO leaders are worried that Washburn's union may raid the Ford auto plants and take them away from Reuther's union. However, the two unions are investigating the possibility of signing a no-raiding agreement, which would be the first step toward a CIO-AFL merger.

The man who may swing this deal is the fighting, imaginative, 47-year-old Washburn, who has worked his way up in the labor movement since its rough-and-tumble days. His mounting stature is due not only to his successful labor record, but also to his increasing activity in the board field of human welfare.

### Into The Past

#### 10 YEARS AGO

Garden—About 100 Lions and their ladies gathered here Thursday for the charter night of the Garden Peninsula Lions Club. Presentation of the club's charter was made to King Lion, Roland Boudreau of Garden by Tom Sheridan of Chicago, special representative of Lion International.

Manistique—Mrs. Carl Anderson of Manistique, formerly instructor at the Cooks Consolidated School, has become superintendent there succeeding W. Herman Johnson, who has left the school's staff.

#### 20 YEARS AGO

Gladstone—A. R. Watson, Gladstone superintendent of schools, has been advised the high school again is on the accredited list of the North Central Association of Colleges and Secondary Schools.

Powers—Iron county has been asked to join with several other Upper Peninsula counties in financing an additional wing proposed to be constructed at Pincetown sanatorium, Powers.

Escanaba—Officers of the Wolverine Conservation Association are planning the establishment of trout rearing and feeding stations. Members of the committee are Floyd Marble, Matt Miller, Claude Raymond and Edward Edick.

### ---But on the Other Hand

### Recipe For Success:

## Frontal Assault, Cold Facts, Win Top Role For Radford

By DOUGLAS LARSEN  
NEA Staff Correspondent

WASHINGTON—(NEA)—Massing cold, hard facts and using them in a direct frontal assault is the only way to win administrative objectives, according to Admiral Arthur W. Radford, newly appointed chairman of the Joint Chiefs of Staff.

This grand strategy, which has won 58-year-old "Raddy" the top military job Uncle Sam can offer, has also seen him successfully through two major service feuds. Now the new Administration hopes this same strategy will wipe out some of the present military roadblocks.

Radford's advance buildup has somewhat mistakenly given the impression that a magnetic personality is his big secret of success.

"If you want to freeze a can of beans in a hurry," says an officer who has served under him, "just let Raddy stare at it for a few moments."

He can be as affable and friendly as any situation demands. But he has no great sense of humor, is not particularly gregarious and has little interest in hobbies or pastimes outside of his career.

A passion for hard work, a keen imaginative intelligence and qualities of great leadership are Radford's real chief assets, according to those who know him best.

"Radford has a personality which is just about opposite that of Admiral Halsey," another naval officer says. "He doesn't have that kind of color, but you know that he's great."

"I can't figure out the man's secret for leadership," reports another officer who has had several tours of duty under Radford. "You just see him working like a wild man all the time and suddenly you find yourself caught up in his enthusiasm for the job at hand and working right along with him."

The fruits of Radford's hard work were impressed on President Eisenhower and new Secretary of Defense Charles E. Wilson when he accompanied them part of the way back from Korea aboard the Cruiser Helena. Others on board said Radford amazed them with his comprehensive knowledge of the background, current situation and personalities involved in the vast, turbulent Pacific area.

During that trip, Radford's briefing of the Eisenhower party on the big picture in the Far East is said to have been the best and most detailed one they got out there. He further impressed them with an evaluation of the global military picture.

It is reported he told the President that the only long-range hope in China was somehow supplanting the present Red government with one friendly to the U. S., a task which he thought might take 50 years. He added that he believed Chiang Kai-shek could only be counted on for very limited help in aiding the cause of democracy in the Far East.

He is also said to have expressed the opinion that the only permanent solution to the Indo-China situation was a convincing the friendly natives that they would eventually win self-government for their fight against the Reds.

In presenting his ideas to Mr.

THE ADMIRAL AND THE PRESIDENT: Admiral Arthur W. Radford (right) talks with President Eisenhower in Hawaii during tour on which Radford's briefing paved way for new job.

Eisenhower and Wilson, he was able to back each point up with a mass of detail on names, dates and places which he had gathered personally.

The massing - of - fact technique was the same basic approach Radford made to the problem which finally erupted into the B-36 feud.

As Deputy Chief of Naval Operations in 1948, Radford knew about the long-range defense plans then being formulated by the Joint Chiefs of Staff. They shocked him. He thought they placed too much emphasis on Air Force strategic bombing plans—specifically the B-36—and didn't call for enough naval aviation.

With other alarmed high-ranking naval officers he helped set up the famous "Operation 23" unit whose mission was to collect all facts and information which could debunk the Air Force strategic bombing concept, and then somehow get this information to Congress and the public.

The art of service feuding was not entirely new to Radford. As a young naval aviator he was in the center of the fight against the "battleship admirals" to win more recognition for aircraft carriers and naval planes.

When Radford's association with Op-23 came out in the open and he continued to lead the attack on the Air Force, coming out with his famous remark about the "billion-dollar B-36 blunder," his action infuriated President Truman and defense officials. They thought they were exiling him by sending him to Honolulu as commander-in-chief of the Pacific fleet.

The Admiral's assignments since graduation from Annapolis in 1916 have mostly been in aviation. A week before the Pearl Harbor attack he was placed in charge of the naval air training program. In two years it was turning out 20,000 pilots a year.

In 1943 he was given command of a carrier division in the Pacific which saw violent action against the enemy during the invasions of Tarawa and Makin. His brilliance in combat and combat planning won him a short stint back in Washington in a special staff job. Then he returned to the Pacific to direct the start of carrier-launched air attacks against the Japanese mainland.

What are you retailers going to give kids from six to 12 for memories to live with such as ours? President Eisenhower, addressing American Retail Federation convention.

Although a tax collector can never be really popular, he can be respected.—Treasury Secretary George H. Humphrey.

### Good Evening...

By CLINT DUNATHAN

WEAR A POPPY—Today and tomorrow the VFW and Legion Auxiliaries are conducting their annual Poppy Sales to aid disabled veterans and their families and to honor those who gave their lives in defense of this country.

The little paper flowers are made by veterans in hospitals, offered for sale by the Auxiliaries and its assistants (Escanaba school students), and they will be worn by Americans who know in their hearts that it is a little thing to do for the benefit of the men who gave so much.

You won't be asked to give any specified amount. You will place in the coin container what you wish and in return receive a paper flower that you will wear for a day or so and then discard.

But the value of that flower is in recognition that Americans don't forget to honor their war dead or to aid their war disabled. When you buy a poppy you will give to help the living victims of war—the disabled veterans and veterans' children.

THEATER MANNERS—Some people deplore the conduct of audiences in the theater and at concerts—but our manners today are much better than they were in the past.

Certainly this is indicated in an old theater program discovered by Mrs. Jack Carlson, Wells, in an old piece of furniture she purchased. The program is for the Gladstone Theater, Hugh B. Laing, manager, for Saturday evening May 13, 1904.

At the bottom of the printed program are the following warnings:

"No whistling. Ladies will please remove their hats. Babies are not permitted in the theater."

The bill for the evening was "Michael Strogoff" in six acts, presented by Miss Vane Calvert and the Rodney Stock Company. In addition there were several vaudeville numbers.

THE EMERGENCY—Most families at some time have had one of their members seriously ill and in need of whole blood transfusion, or in need of plasma or its derivatives.

When this occurs it is an emergency. There is usually little time to seek blood donors. Unless there is a supply of blood and plasma and derivatives on hand at the hospital a life may be lost—a life most dear to you.

The blood donor clinic to be held in Delta county June 1-4, inclusive, is a program designed to supply blood for local use and for the armed forces and national defense.

Four hundred and forty donors—110 for each day of the four-day clinic—is needed. Won't you be one of them?

The clinic sponsored by the Delta County Medical Society with the cooperation of the Michigan Department of Health and the Red Cross. You can register as a donor, and a time to appear during the day established for your convenience, if you will telephone the Red Cross, No. 97.

ONLY PRAISE—The musicians—both vocalists and instrumentalists—who donated their time and talent to the first annual Karas Memorial Concerts no doubt feel a glow of satisfaction today.

The praise they have heard for the high quality of their music and the general enjoyment they gave our people will be their reward, for that is all they will receive.

So also is there only a reward in satisfaction of performing a community service to the members of the Karas Memorial Committee, Roy Pearson chairman, and Elie DeDryver, concert chairman, and the others.

Perhaps they heard, as I did, the following comment from an Escanaba businessman after the concert:

"It was perfect. There wasn't one dull spot in the whole program. I never enjoyed a concert so much before."

Besides raising additional funds for a Karas Community Shell to be built in Ludington Park the concerts demonstrate Escanaba's wealth of musical talent. The inspiration of Frank Karas, musician and teacher, lives on.

COST AND COVERAGE—Jack Foster, Escanaba radio and TV engineer, offers some convincing reasons why television stations will not blossom in every Upper Peninsula town.

In fact there may be none north of Green Bay for a long time to come. It costs from \$150,000 to several million dollars a year to operate a TV station, which means high prices for TV advertising. One minute TV spots cost from \$150 to \$750!

TV in sparsely populated regions is just not yet economically feasible. The Upper Peninsula will have to wait for more people or new developments to reduce television transmission costs.

A food containing every kind of vitamin turns out to be a cracker instead of a banana split.

Children are startled by the idea of work, says a doctor. Smarter than we thought.

Over 5,000,000 pairs of glasses are sold every year in the U. S. We're a pretty good-looking nation, at that.

## So They Say

## Baccalaureate At Rapid River Sunday Evening

RAPID RIVER — Commencement week activities at Rapid River High School will open with Baccalaureate services Sunday, May 24, at 8 p. m. at the high school gymnasium. The sermon will be delivered by the Rev. Thomas Andary, pastor of St. Charles Church.

The first annual Kindergarten Graduation will precede the Baccalaureate and is scheduled for 7 p. m.

The order of the service is: Processional, "The Son of God Goes Forth To War"—Heber. Invocation—The Rev. Wilbert Johnson.

Selection, "Beautiful Saviour"—Christiansen — High School Ensemble.

Selection, "The Heavens Are Declaring"—Beethoven — High School Girls' Glee Club.

Sermon, The Rev. Thomas Andary.

Selection, "I Heard a Forest Praying"—DeRose—High School Sextette.

Benediction—Rev. Johnson. Recessional, "Onward Christian Soldiers"—Baring-Gould.

Class Night exercises will be held Wednesday, May 27, and Commencement Friday, May 29.

**Bake Sale Saturday**  
Women's Fellowship of the Congregational Church will hold a bake sale at the Gamble Store Saturday afternoon, May 23, beginning at 1 p. m.

## Mrs. Johnson Is Named Head Of Rapid River PTA

RAPID RIVER—Mrs. Wilbert Johnson was elected president of the Rapid River Rural Agricultural Parent-Teacher Association, at a meeting held Tuesday evening at the school. Other officers elected are: first vice president, Mrs. Lawrence Hayes; second vice president, Mrs. Robert Olson; secretary, Mrs. Howard Keuhn, treasurer, Mrs. Bert Boack; lunch committee chairman, Mrs. Henry Lundberg; program, Ralph Nelson and Mrs. Norman Slough.

The program for the evening consisted of a health film on artificial respiration and first aid. Lunch was served by the following committee: Mrs. Carlyle Holmgren, Mrs. Bert Wicham, Mrs. Bob Roberts, Mrs. Ray Callahan and Mrs. Bert Bascik.

**PARAKEET ADVICE**  
WACO (AP)—Want to know how to catch a parakeet that's flown the cage? Spray him with the garden hose. This wets down the bird's wings so he can't fly. The advice is from Parakeet Raiser Mrs. F. D. Billingsley of Waco.

## ROADMASTER Custom built by Buick

WORLD'S ONLY CAR with all these features:  
V8 VERTICAL-VALVE FIREBALL ENGINE • POWER STEERING  
TWIN-TURBINE DYNALOW • DYNAMIC FLOW ANTIKIL  
POWER BRAKES • COMPLETELY NEW SWEEPSTAKE STYLING  
BALANCED MILLION DOLLAR RIDE • CUSTOM-RICH INTERIORS  
TILT-AWAY SLIDE-AWAY FRONT SEATS (2 door models)  
PANORAMIC ONE-PIECE WINDOWING FRONT AND REAR  
DOUBLE-RAIL FRONT BUMPER • AIRCONDITIONER

Available Now! for Riviera and Sedan models, at extra cost.

Television treat—the BUICK CIRCUS HOUR—every fourth Tuesday

Two things stand out above all others in this Golden Anniversary ROADMASTER.

It is the most beautiful Buick Riviera ever built.

It is the most brilliant Buick performer in fifty great years.

The first of these is an obvious truth that you learn at initial sight of this automobile's sweeping lines, its gracious styling, its stunning interior fashioning.

The second is one you discover when motion begins and the wonderful new experience unfolds.

You soar from standstill to legal speed as you never have before—for Twin-Turbine Dynalow gives you getaway with a combined swiftness, silence and smoothness no other car in the world can equal.

You command the highest, the silkiest, the

most instantly responsive power in all Buick history—from the world's newest and most advanced V8 engine—the first Fireball V8.

You ride with the gentle, constantly level cushioning of coil springing at all four wheels. You guide your two-ton automobile with the exquisite ease of Power Steering. You slow or halt with the velvety control of still finer braking—plus the extra comfort of Power Brakes® if you wish.

Surely, this rich new world of motoring magnificence is one you should explore—if only to know that it's real, and more easily reachable than you may think.

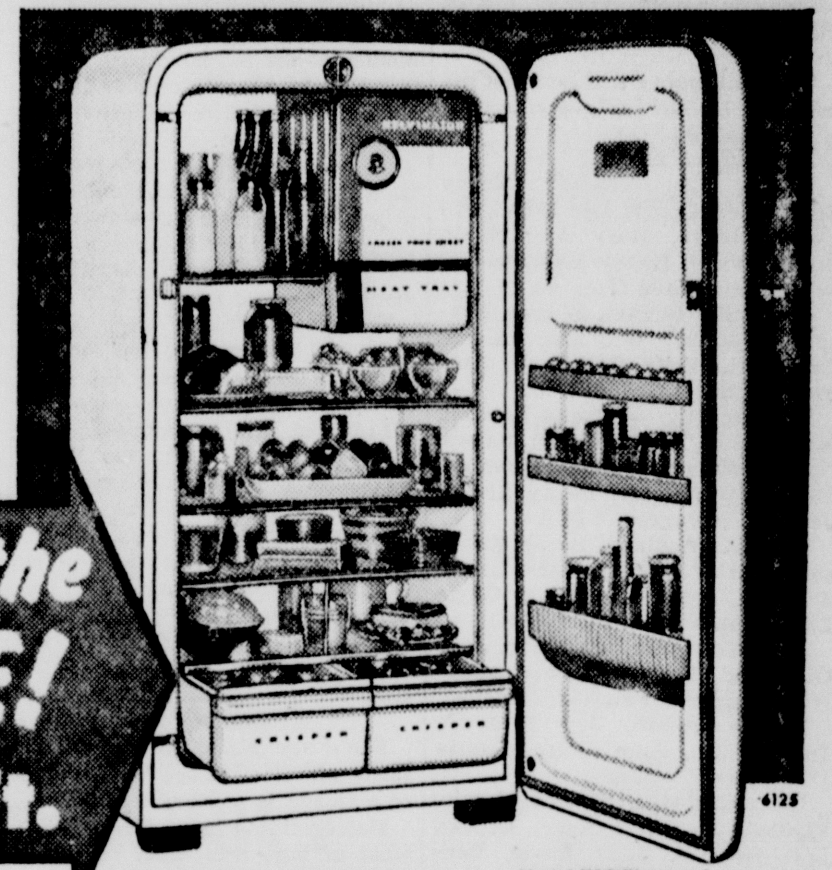

We'll be happy to seat you at the wheel of this superb new ROADMASTER—and let your emotions and good sense judge its greatness. Won't you visit us this week?

\*Optional at extra cost.

Bonnie Menard, Joy Peterson, Judy Walsh, Jane Herro, Laurie Dunklee

Mary Brunelle, Sandra Morrin, Elaine DeDryver, Mary Creten, Lois Pearson, Judy Boyle, Barbara Johnson, Barbara Shanahan.

## ELIZABETH the Queen

By Marion Crawford  
Pyma George to Her Majesty

XX

There is a great deal of organization needed for a Royal visit. There is tremendous advance excitement and detailed preparation. All the local dignitaries get out their robes or have their best suits pressed. Their wives are thrown into a frenzy of ironing and other activity.

Those responsible for the ceremonies of the occasion are busy too. Precedence of presentation to Royalty is a matter of great importance to them.

If the Princess was to arrive by train there was an official welcome to prepare, police arrangements to be made at the station, and then the planning of a day packed with visits, speeches, and drives.

This was the day of days for the town and its citizens; but for the Princess this was her life, day after day. She can look forward to a future of similar functions; the trip by train or car; the loyal speech of welcome; her gracious reply—everything falling into a set and familiar pattern. Local newspapers filled their columns with descriptions of her smile, her voice, the names of people who had been presented to her, the decorations in the streets, the crowds.

**A Good Memory**  
For every one of the many thousands who flock to see her the visit of a Queen is a great occasion.

Unforgettable for them! But what of her, who must be somewhere else tomorrow, walking the aisles of another cathedral, listening to the Dean's reminiscences, inspecting more walls filled with paintings, and making bright and memorable remarks about them? Surely the wonder is that she remembers any of the hundreds of people she meets in a week of such visits.

But she does remember. To keep names and faces in her mind is part of her task. And her memory starts working even before she comes to a place.

This may be her first visit to the town, but she knows that her father or her grandfather visited it long ago. Perhaps he received a gold casket or some other memento.

Memento is for memory, and Queen Elizabeth is careful to recall the gift in reply to the Lord Mayor's loyal address. She knows his name and the names of other local notabilities who may be presented to her. And she will recall their names and faces if ever they come before her again.

No one who has seen her on one of these visits has felt for a moment that it was just routine for her. Because it was not so, really it was meeting people—and she likes people.

**Leaving Children Behind**  
I have seen her stand for hours at the window of her apartment in Buckingham Palace from which she could see, through the lace curtains, Big Ben's face and look right down the Mall to the Admiralty Arch. Then she would look down to the scattered sightseers in front of the Palace gates.

They would look up, asking one another which room is the King's where the Throne room is, trying to imagine what is behind each window.

They little thought that at the same time a Royal Princess was wondering about them!

It was the same in Canada, where Princess Elizabeth was undertaking the first State visit of her career, as the representative of her father.

To the King and Queen at home the daily news of the progress of their daughter's tour of the Dominion must have recalled vivid memories of their own visit to Canada and the United States in the summer of July, 1939.

Queen Elizabeth knew for 15 years the dignity and responsibility that the Heir to the Throne must carry.

Although she could not have realized then all that the change would mean to her, she certainly did know that in leaving the old home at 145 Piccadilly, after the Abdication, she would be leaving some of her childhood behind.

**Human Little Person**

She was no plaster saint, but always a human little person—sometimes quick-tempered and inclined to be a little overcritical. The curious thing, however, was that she was quick to see her own faults when they were pointed out to her, and eager to correct them.

Seeing her so perfectly dressed, whether for a military parade or for a garden party, it seemed strange to me to recall that in her teens she was never particularly concerned about her appearance. But since wearing the right things at the right times was a duty, she conformed without demur.

At one time she had a great deal of fun experimenting with various styles of make-up. One day she came down with a vivid splash of crimson caked round her lips. This apparition in the sober surroundings of our schoolroom at Windsor Castle was as startling a splash of red as a poppy in the snow.

She saw me looking rather dubiously at her. "Crawfie," she exclaimed, "what is the matter with you this morning? Why have you been staring at me?"

"It's your mouth," I said firmly. "You look as if you'd dipped it into a pot of plum jam. It doesn't go with your coloring at all. You need a light cherry lipstick."

Nothing more was said. She did not wipe the paint off at once, but before the end of the morning the smear had become a little less obvious.

(To Be Continued)

## Legion Poppy Day Funds Used To Assist Disabled

Every coin dropped into a Poppy Day contribution box today and tomorrow will mean that the American Legion Auxiliary will be able to give just that much more for disabled war veterans during the coming year, according to Mrs. Ralph Shiner, rehabilitation chairman of the Auxiliary to Cloverland Post 82.

Volunteer workers from the Auxiliary are busy constantly bringing aid, comfort and cheer to the disabled veterans of the two world wars and the Korean conflict, she explained, their activities financed largely by Poppy Day funds. Because of the growing number of war disabled, Mrs. Shiner expressed the hope that Poppy Day contributions would be especially generous this year.

"Auxiliary volunteers are going constantly into hospitals and homes where disabled veterans are fighting the long battle to regain health and a place in the normal life of the country they defended," she said. "Thanks to the generosity of the people who wear poppies on Poppy Day, they do not have to go empty handed but are able to bring material aid to these courageous men."

"We now have Korean War veterans to serve, as well as those from the earlier conflicts. Our Auxiliary members are grateful for every assistance given them in their work for the welfare of these men who have given so much for America."

## Class Of 1928 Seeks Addresses Of Seven Members

The Escanaba Senior High School class of 1928 which is holding its 25-year reunion July 6 at the Dells Supper Club has been unable to locate or contact the following members: Doris Beach, Frederick Foster, Agnes Grimes, Lucretia Hogan, Helen Hoover, Edward McFadden and June Roxbury. Anyone knowing their whereabouts is asked to notify Mrs. John Groop, telephone 122J.

## Army Bans Sex Weekly For GIs

FRANKFURT, Germany (AP)—An American woman publisher said Wednesday that the U. S. Army has banned her weekly newspaper for American troops because of its stories about Christine Jorgensen, Pat Ward and the like.

Mrs. Marion von Rospach of San Francisco said a letter from the Army's European headquarters had ordered her to stop printing and distributing her Overseas Weekly to the GIs because its "stories of sex and prostitution" had "raised a storm of protest from commanders in the field and others concerned with the moral welfare of military and dependent personnel."

The 27-year-old woman said an Army colonel to whom she complained told her: "You know what you have done—stories like Christine Jorgensen and Pat Ward—"

A spokesman at the Army's Heidelberg headquarters refused to comment on the matter. "Any comment the Army has to make is in the letter written to the Overseas Weekly," he said.

Mrs. von Rospach is the wife of Cecil von Rospach, information officer at the U. S. consulate here. She started her paper in 1950, and it now has a circulation of about 40,000.

### No Financial Help

The paper is printed on the press of the unofficial Army newspaper Stars and Stripes and is distributed on Stars and Stripes newsstands in all military posts. Mrs. von Rospach said she had never had "one single dime" of help from the Army and had paid Stars and Stripes \$100,000 for the printing last year.

Stars and Stripes printed only relatively brief U. S. news agency accounts of Christine Jorgensen, the former GI who underwent sex operations and treatments in Denmark, and Pat Ward, key "call girl" witness in the Mickey Jekel case in New York.

## Brutality Charges Investigated In Michigan Prisons

LANSING (AP)—Corrections Commissioner Earnest C. Brooks revealed today that FBI agents are investigating charges of brutality at Southern Michigan Prison.

Brooks said the Detroit FBI office informed him that a complaint had been filed with the U. S. attorney general charging that civil rights of prisoners had been violated. He said the name of the complainant was not made known to him.

### Job Speeded Up

Two agents first appeared at the prison May 12. Warden William H. Bannan called Brooks to ask if the FBI had authority to enter the prison.

Although doubtful, Brooks told Bannan to make no issue and to allow the agents to make their investigation.

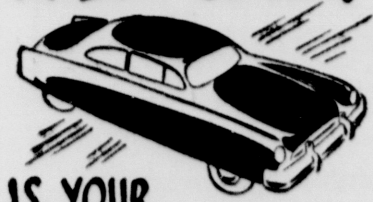

Bannan asked the agents to speed the job to avoid stirring up the inmates so a crew of 12 agents arrived and spent Saturday and Sunday in the prison, Bannan reported.

The agents questioned some 40 or 50 inmates, civilian employees and guards, Bannan said. They are visiting some of the civilian employees at home, are questioning some inmates at Marquette branch prison and plan to return to question Bannan, Brooks said.

Bannan said that the agents seem to be centering their questioning around the Nov. 30 beating of four inmates in a disciplinary barracks by a group of guards. This fracas precipitated the resignation of medical director Russell L. Finch, who issued a statement saying he could not remain at the prison and condone brutal treatment of prisoners.

The prison administration claimed that the beatings were administered by the guards in self defense.

## Polio Victim Leads Grand Marais Seniors

James Carter

Robert Niemi

GRAND MARAIS—The Grand Marais High school honor students have been announced by Supt. Vernon Maurer naming James Carter, son of Mr. and Mrs. Forest Carter, valedictorian, and Robert Niemi, son of Mr. and Mrs. Alex Niemi, salutatorian. Both boys have been honor students during their four years of high school and both have won their honors under handicaps.

Jim contacted polio during his first year of high school and was

in the hospital, on crutches, then in braces for many months. In spite of this fact he served his class during his four years in the following capacities: Student Council member, assistant editor, then editor of the high school paper, scorekeeper for the basketball team and a band member for the past two years. He is also active in the CYO of the Holy Rosary church.

He earned the title two years ago of being the youngest editor in Michigan, being the entire staff of the Grand Marais Advertiser, a small local paper carrying local news, ads and other articles of interest. He also won first prize in an international amateur printing contest. He is the author of the "History of Grand Marais" a booklet now on sale in many of the local business places. Jim is enrolled in the St. Thomas Aquinas College in Grand Rapids where he will continue his education.

Bob Niemi has also been an active student during his high school years serving his class as this year's Student Council president, previously as class president and class treasurer, band member for the past two years, also a member of the high school dance band and in athletics he has been a letter man in basketball and football and this year participated in track events. He has accomplished all this even though he has been almost totally blind in one eye since birth. He is also an active member of the Methodist Youth Fellowship. Bob's plans for continuing his education are not yet completed.

Mrs. George Arnold, Charles Hulett and daughter, Mrs. William Belleville have returned home after attending the funeral of Mrs. Tom Bague in Gentry, Mo. Mrs. Bague was a sister of Mrs. Arnold and Charles Hulett.

Mr. and Mrs. Tom Arnold have received the announcement of the birth of a daughter to their son and daughter-in-law, Mr. and Mrs. James Arnold of Battle Creek.

Mr. and Mrs. Elmer Erickson who recently moved to the Erickson farm, are tearing the old building down and rebuilding near the highway.

Jack Rwafoford of Toledo, O. is a guest at the home of his mother, Mrs. Victor Hugo Jr.

## Democrats Back Big Foreign Aid

By JOE HALL

WASHINGTON (AP)—Two Democratic senators said Wednesday they would fight vigorously any attempts to cut the Eisenhower administration's \$5,800,000,000 foreign aid program for next year.

The senators, Humphrey of Minnesota and Sparkman of Alabama, both serve on the foreign relations committee, which has virtually completed its hearings on the measure to authorize the mutual assistance program for the new fiscal year starting July 1.

Humphrey predicted in an interview that all seven Democrats on the committee would support the bill.

The group's chairman, Sen. Wiley (R-Wis.), also has indicated he will back the full sum sought by President Eisenhower although he would not predict what his committee finally will decide.

Wiley said he thought the administration had made out a good case for the bill.

Sparkman said the administration has been emphasizing it already has cut the program to the bone in lopping off \$1,800,000,000 of the \$7,600,000,000 asked by former President Truman.

## Doctors Discover Grandma's Remedy For Cold Is Best

CHICAGO (AP)—Two doctors who pitted grandma's cold remedy—bed rest and liquids—against the modern sulfa and antibiotic drugs reported the old treatment actually is better for fighting a cold.

Mrs. Howard S. Traisman and L. Martin Hardy of Chicago based this conclusion on a study of 159 patients at Children's Memorial Hospital.

In a report to the 113th annual meeting of the Illinois State Medical Society, they said they divided the patients into groups. One group received bed rest, fluids and aspirin, if needed. Another group received the same treatment plus a sulfa drug. The others received the same treatment plus an antibiotic.

All patients had the usual cold symptoms, fever of about 101 for about two days.

Of the group receiving the old treatment, 56 per cent recovered in one week, 34 per cent in two weeks and the remaining 10 per cent took longer.

Of the drug treated groups taken together, only 39 per cent recovered in one week, 48 per cent in two weeks and 13 per cent took more than two weeks.

The group on the old treatment had slightly more complications—16.3 per cent compared with 12.3 for the sulfa-antibiotic group.

PROMOTED BY C&NW—Alexander E. St. Cyr, 1523 8th Ave. S. has been promoted by the C&NW to be one of two supervisors in the Escanaba car shop, working under C. T. Weir, general car foreman. St. Cyr, who began his career with the railroad in 1918 as a carman helper, was working as a car repairer before his new promotion. Active in civic affairs, St. Cyr was a charter member of the Escanaba City Planning Commission, serving about four years from 1949 to the first of this year. During World War II he was a member of the local OPA panel, and he is a past faithful navigator of the Knights of Columbus Assembly. He is chairman of the advisory board of St. Anne's Church and is active in fraternities.

## Dickers Resumed On G. M. Contract Expiring In 1955

DETROIT (AP)—General Motors Corp. and the CIO United Auto Workers resumed negotiations on the UAW's request to alter its wage contracts that would normally expire until mid-1955.

The UAW served notice that unless GM agreed to an alteration the union never again will negotiate another long-term contract.

The union contends that inflation stemming from the Korean war had brought unforeseen injustices despite cost-of-living wage clauses written into the contract.

The UAW-GM pact was signed in May, 1950, only a month before the Korean outbreak. Subsequently similar contracts were reached with Ford, Chrysler and other major automotive concerns.

Quoting Charles E. Wilson, former GM president, as saying that contracts should be "living documents," the UAW insists companies should make these changes, even if they are under no legal obligation to do so.

1. Make permanent 19 of the 2 cents hourly workers have gained through cost-of-living wage increases since 1950 to prevent most of the gains being taken away if current price levels collapse.

2. Increase from four to five cents an hour the "annual improvement factor," designed to compensate the union for job losses

## Britain Establishes Marshall Scholarships

LONDON (AP)—As a token of gratitude for U. S. Marshall Plan aid, Britain is establishing scholarships for 12 American men and women to study at British universities each year.

The Foreign Office announced last night the first of the awards will be given next April. They will be known as "Marshall Scholarships," in honor of Gen. George C. Marshall.

## U. S. Urged To Admit 240,000 Immigrants

WASHINGTON (AP)—Under secretary of state Walter Bedell Smith has urged Congress to enact emergency legislation admitting 240,000 immigrants in the next two years to relieve population pressures in Western Europe. He said Europe's basic overpopulation and the postwar refugee problem were of most serious concern to the United States.

through technological improvements.

3. Raise pension payments, which now total \$125 a month, including social security payments, so that purchasing power will be restored to 1950 levels.

GM offered in February to make permanent 14 of the 24 cents gained through cost-of-living clauses, but the union turned this down as unsatisfactory.

## Stop Potato Blights with dependable Du Pont

# PARZATE®

Fungicide

Now you can stop early blight and late blight at their worst . . . and keep spray costs down while your yields go up. Du Pont "Parzate" does the job and does it economically. Use it all season long; it gives full protection in the field and reduces danger of blight rot in storage.

When you use "Parzate" for blight control, the leaves stay greener, and the vines grow more vigorously. That's because "Parzate" doesn't burn or stunt the crop while it controls disease. It's also the reason why you get higher yields and more No. 1 potatoes.

Manzate®, Du Pont's newest fungicide in the same dithiocarbamate family as "Parzate" is especially effective for control of potato and tomato diseases. On potatoes, it's ideal where early and late blight attack at the same time. Try "Manzate" this season on a test acreage.

BETTER THINGS FOR BETTER LIVING  
... THROUGH CHEMISTRY

Use "Parzate" liquid (manzate) for quick-mixing sprays.

Use "Parzate" dry (manzate) for dust mixtures or for sprays.

See your dealer now for "Parzate" and other proved Du Pont pest-control products. Ask him also for free booklets, or write Du Pont Grasselli Chemicals Dept., 161 West Wisconsin Ave., Milwaukee, Wis., or Wilmington, Del.

On all chemicals always follow directions for application. Where warning or caution statements on use of the product are given, read them carefully.

## Legion Auxiliary Distributes Poppies

Memorial Poppies are being distributed this afternoon and Saturday in Gladstone by the Auxiliary to August Mattson Post, American Legion.

Working for the Auxiliary will be Mrs. Phil Richel, Mrs. Lloyd Haglund, Mrs. Lawrence Shampo and Mrs. Louis Broman. Saturday they will be assisted by a group of girls.

Contributions gathered through distribution of the little flowers are used for the welfare of disabled war veterans and families left in need by the death or disability of a veteran.

## Painter Stymied

EVERETT, ash. (P)—City sign painter L. A. McNew, seeking to spell out "No Parking in Alley" was stymied one day this week on three downtown blocks.

He couldn't get his equipment to the spots designated—too many vehicles parked in the alleys.

**Business Opportunities**  
**STRAITS' BRIDGE BECOMES REALITY**

The Michigan Legislature has paved the way for the construction of the longest and most mammoth bridge in the world and the greatest TOURIST ATTRACTION in the Midwest part of the United States at the Straits of Mackinac, connecting the Upper and Lower Peninsulas of Michigan. The saving of a thirty-inch oil pipe line from Canada through both peninsulas is now underway in great capacity. This area offers great opportunity to serve thousands of construction workers and multitudes of tourists that will visit our state. Upper Michigan residents take advantage now of securing a business of your choice in the locality. Contact us for results, hotels, motels, liquor establishments, and other business opportunities in the Upper and Lower Peninsulas. Tell us what you desire, we will find it.

# Amateur Boxing Program Is Set For Saturday Night

## Bouts At Fairgrounds, Nine Escanaba Boxers Will See Ring Action

## Trojans Lose 4-2 To Stephenson Ball Club

## Stock Cars Will Race Sunday, Larger Field

Amateur leather swingers take the sports spotlight at the fairgrounds exhibition building Saturday night at 8:30 in Escanaba's first summer boxing show to be presented in many years.

A nine-man Escanaba boxing team will face fighters from throughout the Upper Peninsula on the paired-match show sponsored by the Escanaba Lions Club.

Providing opposition for the local lads will be scrappers from fight stables in Manistique, Marquette and Menominee. All bouts will be three two-minute rounds to a decision.

**Four U. P. Champs**

Fight fans will see four Upper Peninsula Golden Gloves champions in action. Two of the champs are from Escanaba, one from Manistique and one from Marquette.

Escanaba's John Connelly will fight the first feature bout of his career when he takes on Manistique's Buddy Holmberg in the windup. The two boys battled it out for the U. P. Novice featherweight crown here in January with Connelly snaring a close duke over the left-hooking 'Stique boy.

The rematch promises to be a thriller. Connelly, fighting in the ring for the first time last winter, showed poise and power to offset Holmberg's dangerous left hook. Connelly is a stand-up puncher who packs a hard right hand. After beating Holmberg in the GG semifinals, Connelly knocked out team mate Ted Ritter in the first round to win his ring title.

**Magnuson Gets Prudom**

Another Upper Peninsula champion fans have seen in action here for several years will return to the ring Saturday night. Ronnie Magnuson, clever southpaw from Escanaba, won the Golden Gloves featherweight crown in 1951. He will move up to the welterweight class to fight rugged Ted Prudom of Negaunee.

The semi-windup on the 12-bout program will feature Upper Peninsula middleweight champion Ted Fellman of Marquette against Clyde Kurzinski of Escanaba. Fellman is a Northern Michigan College of Education athlete while Kurzinski, former Silver Glover, was recently discharged from the United States Air Force.

Popular Darryl Bertrand, Manistique's non-stop welterweight puncher, is the third U. P. champ on the card. He'll let fly with his heavy fists at Joe Morin, top boxer on the Menominee fight team coached by Leo Legacy.

**Promising Lightweight**

One of the most promising members of the young Escanaba squad, Ron Vanderlinden, will move up to 140 pounds to tackle George Raygo of Marquette. Vanderlinden, a crowd pleaser with his John L. Sullivan stance and a dynamite right hand, was the Upper Peninsula lightweight runner-up last winter. He scored a first round knockout in his last start at Negaunee two months ago.

Making his first appearance with the Escanaba team will be Escanaba Eskymo athlete Charlie Bellefeuille. Bellefeuille packs 160 pounds on a stock frame and fights from the port side. He'll go against veteran Don Aldrich of coach Ed Toyra's Manistique team.

Another rematch will pit Johnny Roberts of Escanaba against Ernest Vertz of Manistique. Roberts made his ring debut at Manistique two months ago and whipped Vertz by a narrow margin.

Escanaba's Bob Bourdeau will be seeking revenge against tow-headed Harry Nelson of Manistique. Nelson caught Bourdeau with a two-fisted flurry and flattened the Escanaba boy in their last meeting. The weight is 105 pounds.

**Ammann Fights Beyer**

Werner Ammann, hard-working Manistique flyweight, returns to action against Jim Beyer of Menominee in what should be a fast fight. Ammann has a decision over the U. P. flyweight champion, Tommy Betts of Marquette, to his credit.

### Giovanelli Gets First Garden Chance

NEW YORK (AP)—Danny Giovanelli gets his first Madison Square Garden main go tonight against flashy Vince Martinez, boxing's slightly deflated "rookie of the year" in 1952.

The 10-round match, scheduled for 9 p. m. (EST) will be carried on radio (ABC) and television (NBC).

Martinez, 24, supposedly was heading straight for the welterweight title when he was outpointed by Chico Vejar March 13.

Giovanelli, a coming star in the small clubs, has a 19-2 record. His best win was a technical knockout over Danny Joe Perez, previously unbeaten, March 2.

Wayne Courier, who won one and lost one in Golden Gloves competition, faces a good Menominee boy in Dick Boucher at 126 pounds. An Escanaba newcomer to the ring, Dean Kalishek, makes his first start against Billy Martin of Menominee at 112 pounds.

Opening the show will be a bout between a pair of Escanaba "paperweights," Loren Jones and Butch Provo.

Advance sale of tickets for the card is being made. Reserved seats are available at Gust Asp's in Escanaba and Leonard's Barber Shop in Manistique.

- Bout 1**  
Loren Jones, Escanaba vs. Butch Provo, Escanaba. 75 pounds.
- Bout 2**  
Dean Kalishek, Escanaba vs. Billy Martin, Marinette. 112 pounds.
- Bout 3**  
Bob Bourdeau, Escanaba vs. Harry Nelson, Manistique. 105 pounds.
- Bout 4**  
John Roberts, Escanaba vs. Ernest Vertz, Manistique. 125 pounds.
- Bout 5**  
Wayne Courier, Escanaba vs. Dick Boucher, Marinette. 128 pounds.
- Bout 6**  
Jim Beyer, Menominee vs. Werner Ammann, Manistique. 112 pounds.
- Bout 7**  
Ron Vanderlinden, Escanaba vs. George Raygo, Marinette. 140 pounds.
- Bout 8**  
Ron Magnuson, Escanaba vs. Ted Prudom, Negaunee. 145 pounds.
- Bout 9**  
Joe Morin, Manistique vs. Darryl Bertrand, Manistique. 147 pounds.
- Bout 10**  
Charles Bellefeuille, Escanaba vs. Don Aldrich, Manistique. 160 pounds.
- Bout 11**  
Clyde Kurzinski, Escanaba vs. Ted Fellman, Marquette. 160 pounds.
- Bout 12**  
John Connelly, Escanaba vs. Buddy Holmberg, Manistique. 126 pounds.

## In This Corner

With Ray Crandall

Two of the Escanaba boxers who will see action tomorrow night at the fairgrounds exhibition building will have to do some traveling to get here. John Connelly, U. P. Golden Gloves featherweight champ, is currently employed in Milwaukee and is making the trip up here for the weekend. Charles Bellefeuille, Escanaba High School student, will be competing in the Upper Peninsula track finals at Marquette Saturday afternoon and will have time to make it back for his bout with Manistique's Don Aldrich.

**Bennie Oosterbaan**, head football coach at the University of Michigan, had high praise for an Escanaba athlete after the Wolverines' spring football practice. In a letter to Bill Puckelwartz, Oosterbaan described Paul Baldwin, former Eskymo football, baseball and basketball letter-winner, as a fine prospect for varsity action in the future. Baldwin is a transfer at Michigan from Marquette Northern.

Bark River's baseball season came to an abrupt close this week. The Broncos were slated to meet Gladstone yesterday but poor weather interfered. Unable to hit on a makeup date that would not involve the U. P. track meet at Marquette or final exams, the schools decided to call the game off.

**When Escanaba miler Dick Casey** came home in front at the recent Marinette track meet he was only a half second off the field record. Writing about the event the next day, Jim Gleason, Marinette Eagle-Star sports editor, said: "Casey breezed home far ahead of the field in 4:55.5. He was just a half a second off the field record and could have broken it if pushed." Casey has chopped 11.8 seconds off that time and was only 2.9 seconds off the U. P. Class B record in the regionals here last Saturday.

## Native Dancer, Arcaro Big Topic At Preakness

BALTIMORE (AP)—A horse named Native Dancer and a jockey named Eddie Arcaro were two hot topics of conversation today on the eve of the Preakness although they won't be together and both were beaten in the Kentucky Derby.

Native Dancer had staid Pimlico as excited as it ever has been in its 83 years of horse racing. "Is he as great as he looked before Dark Star outran him in the Derby?" That's the burning question before the full house of about 35,000 answer seekers tomorrow.

**Big Prize Purse**

The Alfred G. Vanderbilt gray ghost will have another crack at Harry Guggenheim's Dark Star and five others in the mile and three sixteenths race for \$113,750. The middle gem of the Triple Crown of racing will be on nationwide radio and television (CBS, 4:45 p. m. EST).

Since the Derby upheld the cliché that anything can happen in a

Youthful Gary Paler flipped a two-hitter at Stephenson here yesterday afternoon but the St. Joe Trojans were guilty of eight miscues in the field and dropped a 4-2 decision.

Paler fanned nine Stephenson batsmen and walked only two. The Trojans started off on the wrong foot and couldn't get straightened out. Hanson, first Stephenson man up in the first inning, waltzed around the bases on three St. Joe errors to post the initial run of the game.

In the third inning Hanson scored again for the visitors. He walked, stole second and scored on an error. In the fifth the Eagles added two unearned runs to go ahead 4-0.

Catcher Bill Maycunich unlimbered a home run blast in the bottom of the fifth to account for the two St. Joe tallies. Paler had

walked ahead of him. The homer soared high over the outfield fence.

St. Joe batters faced a pretty fair hurler in Jim Strohl who matched Paler's two-hitter. The Stephenson chucker sent seven Trojans down swinging and walked six.

Maycunich swiped two bases yesterday to increase his thefts to 11 in ten games this season.

Coach Tom St. Germain's Trojans close out the season with a doubleheader on the road Saturday. They face Negaunee High School in a 10 a. m. game and Negaunee St. Paul at 2 p. m. The Trojans enter the final games

with a 500 record on five wins and five losses.

Box score:

Stephenson	AB	R	H
Hanson, ss	2	3	0

Additional games will be posted Saturday. Uniforms will be issued to Little Leaguers next week.

### Little Leaguers To Practice Saturday

Kiwanis and St. Joe Booster Little League baseball teams will meet Saturday afternoon at 4 in a practice game at Royce Park diamond.

## Wiinikainen Resigns As Bark River Coach

Paul Wiinikainen

BARK RIVER—Paul Wiinikainen, Bark River High School coach, today announced his resignation after two years at the head of the Broncos' athletic department.

Wiinikainen notified Bark River school authorities of his decision this week. His resignation is effective at the close of the current school year.

A graduate of Northern Michigan College of Education, Marquette, Wiinikainen joined the Bark River school system two years ago. He has served as football, basketball, baseball and track coach since that time.

He stated that he has no definite plans for the future although he hopes to remain in the coaching profession.

Wiinikainen is a native of Ishpeming. He came to Bark River as coach directly out of college.

## Flint Northern And Brethern Favorites In State Track Meet

EAST LANSING (AP)—Flint Northern (Class A) and Brethern (Class D), the power-packed entries, are strong favorites to carry off honors in the State High School Track championships here Saturday.

Flint Northern figures to dethrone Saginaw High as Class A titleholder.

Brethern looks like a sure thing to retain its Class D crown. It's hard to see how Flint Northern can miss winning its second state title, although Saginaw High, Pontiac, Arthur Hill and Lansing Eastern may have something to say before the action is over.

Led by Leon Burton, Flint Northern has a sparkling array of 12 qualifying for the finals.

### One-Man Team

Burton, a five-foot-nine, 170-pound flash, turned in a terrific one-man show last week when Flint Northern won its regional meet with the top-heavy total of 62½ points. That was 20 more than runnerup Dearborn Fordson.

Burton bounced over the 180-yard low hurdles in 19.2 seconds. That was 1.2 seconds better than the state record. But it won't go into the books, however, as it wasn't made in the finals. It's a regional mark, though.

Burton also won the 100-yard dash in 10 seconds flat, took the broad jump with a leap of 21 feet 6¼ inches and anchored the Vikings' half-mile team. The latter group, incidentally, was caught in 1:30.0.

In attempting to repeat, Saginaw High will be looking to Bob Pidner, last year's half-mile king, and Tom Hall, a brilliant hurdler. Pontiac qualified 16 for the finals.

### Spring Sports Show For MIAA Colleges

KALAMAZOO (AP)—The MIAA springtime sports carnival—with competition in track, tennis and golf—gets underway today with 174 athletes shooting for the titles.

Hope, with 36 men, is favored to repeat as track champion. Albion will defend its golf title while Kalamazoo guns for its 17th straight tennis crown.

### List Little Bigger League Practice Tilts

Insurance Agency and AFL teams of the Little Bigger League will meet in a practice game Saturday at 1 at Memorial Field.

The Paper Co. will provide opposition for AFL Monday at 6 p. m. at Royce and AFL takes on the Escanaba Cubs at 6 Wednesday at the City diamond.

### Calvin College New MIAA Conference Team

KALAMAZOO (AP)—Calvin College of Grand Rapids, last night was voted a membership in the Michigan Inter-Collegiate Athletic Association (MIAA) at a meeting of the conference's Board of Directors.

Calvin becomes the eighth member of the MIAA, the oldest state collegiate athletic league.

Calvin will compete in all conference sports with the exception of football.

### TENNIS CROWN

KALAMAZOO (AP)—Kalamazoo College captured its 17th straight MIAA tennis championship yesterday. Kalamazoo piled up 30 points.

Hope College was second with 22 points.

ST. JOE TROJANS—Members of the St. Joe Trojans baseball team, which closes the 1953 season tomorrow at Negaunee, are pictured above. Front row, left to right: Gerrard Collins, Bill Lancour, Dan Rousseau, Gary Paler, Bob

Dubord, Bill Maycunich and Mike Goymerac. Back row: Bob Sendenburgh, Gary Guertin, Dick Cass, Dick Bryson, Jack Bink, John Berigan, Dick Moreau and Bob Rodman. (Daily Press Photo)

### Drivers To Qualify For Speedway Race

INDIANAPOLIS (AP)—About 40 drivers will scramble among 66 cars Saturday and Sunday, trying to win the 26 open spots in the 500-mile auto race May 30 at the Indianapolis Motor Speedway.

Ten-mile qualifications will be run, one car at a time, for nine hours each day. The Speedway expects about 75,000 auto fans if the weather is good.

### FIGHTS LAST NIGHT

(By The Associated Press)

DETROIT—Mickey Mars, 127½, Cleveland, outpointed Tony Spano, 133 3/4, Chicago, 8.

Huntington, W. Va.—Bob Baker, 227, Pittsburgh, outpointed Nino Valdes, 211, Havana, 10.

Oakland, Calif.—Esau Ferdinand, 160, San Francisco, stopped Art Soto, 154, Oakland, 3.

Newark, N. J.—Pete Adams, 150, Newark, knocked out Jay Anderson, 150, Philadelphia, 6.

Horsemep racing at Delaware Park, which opens May 29, will compete for approximately \$1, 250,000 in stakes purses. This is the highest total distribution in the track's history.

National League Race Is Tight

# Giants Are Moving Up

**By The Associated Press**  
The New York Giants, with a five game winning streak and nine wins in their last 12 starts are moving back toward the first division of the National League.

The Philadelphia Phillies are in front at the moment, but the margin is so small that on any cold day they ought to be able to feel the hot breath from the hungry pack all the way down to the Giants.

The Phils, thumped 7-2 by Pittsburgh last night, lead Milwaukee by half a game. St. Louis is a half game back of Milwaukee with Brooklyn's off-and-on Dodgers another half step behind the Cards.

**Beat Dodgers 7-2**  
That brings it down to fifth place and the Giants, who knocked off Brooklyn 7-2, last night to creep within three games of the top.

Three games from first to fifth! Why over in the American League where the New York Yankees are threatening to run off and hide from the rest of the clubs, the margin is more than that from first to second.

The Yankees stretched their lead to 3½ games over the idle Chicago White Sox last night by edging the Washington Senators, 6-5, on a three-run seventh inning rally. The Philadelphia Athletics, hitless for five innings, overpowered Boston, 9-0, in the only other American League game. The Cardinals made up deficits of three and six runs to defeat Cincinnati, 11-9, to round out the National League action.

**Five In First**  
The Giants slammed out five runs in the first inning against Brooklyn's Joe Black and Ben Wade on a pair of back-to-back triples, a single, double and Bobby Thomson's home run.

The season's largest National League crowd, 46,778 Polo Grounds customers, saw Brooklyn dispose of Giant Ace Sal Maglie with one out in the first inning when Duke Snider followed Pee Wee Reese's single with a home run and Jackie Robinson followed with a double. But Al Corwin, making his third relief appearance in four games, stopped the Dodgers until the fifth and Dave Koslo held the lead to

the end. The victory went to Corwin.  
The roof fell in on Karl Drews in Pittsburgh in the sixth inning. The Philadelphia righthander was breezing along with a 2-0 lead when the Pirates suddenly found the range for seven singles and were aided by two walks and a pair of errors.

The Cardinals jumped away to a 6-0 lead, only to find themselves trailing 9-6 after Cincinnati batted in the seventh. The Cards came back with four more in the seventh and frosted the cake with a single tally in the eighth.

The Yankees' victory, too, was a come from behind effort against the battling Senators. Down 5-3 after four innings, the Yankees rallied for three runs in the seventh on a pair of singles, two doubles and a walk.

The Athletics' triumph over Boston may have been a costly one since they lost the services of lefty Bobby Shantz for an indefinite period. Shantz, pitching shutout ball, strained a muscle in his arm with two out in the fourth and had to retire.

Tommy Bolt Leading Colonial Golf Field

FORT WORTH (AP)—Tommy Bolt, a heavy money-winner already, held a long lead on a \$5,000 jackpot today as he set out at the head of the field in the \$25,000 Colonial National Invitation golf tournament.

Bolt was the only player able to master par in the opening round Thursday as he shot a 34-33 67 over the rugged 7,035-yard Colonial Country Club course.

His three-under-par effort put him four strokes ahead of Fred Mawkins of El Paso, Chandler Harper of Portsmouth, Va., and Lloyd Mangrum of Niles, Ill.

Ben Hogan, a smashing favorite, was bothered by the heat and wind and wound up with a 73 and a tie for ninth place.

## Tigers Return Home From Eastern Trip

**By JOE FALLS**  
DETROIT (AP)—The Detroit Tigers, having seen how the other teams live, and envying every one of them, return home tonight to meet the Chicago White Sox in the opener of a three-game series.

Thirteen games off the pace, the Tigers will use righthander Art Houtteman (1-3) in their first night game of the season at Briggs Stadium. He'll be opposed by Saul Rogovin, another righthander, who has a 2-4 record.

The Tigers have made the full seven-city tour of the American League, compiling a weak 4-13 record. At home it's 5-11.

**Pitching Perks Up**  
While they continued to slip at the end of the 12-game road trip, there was some hope in the fact that the pitching staff showed signs of waking up. In the last six games, the Tigers have received three complete games from Houtteman, Ned Garver and Ted Gray. That's as many as in their first 27 games.

But just when the pitching seems to be getting in shape, the hitters have fallen off. Only Don Lund, with a robust average, is holding up the batters end of it.

The rest of the team has slumped.

**Hitters Slipping**  
First baseman Walt Dropo, after making a brief rally, has slipped back to .245. Johnny Pesky, at second, is hitting .225 and Fred Hatfield, at third, .253.

Of the infielders, only shortstop Harvey Kuenn is moving at a decent clip. He's hitting .295, but his play in the field has become uncertain.

In the outfield, Bob Nieman is hitting .285 and Jim Delsing .270. Kuenn isn't the only Tiger who has been jittery in the field. The Tigers have made 14 errors in their last six games. Kuenn has made the most bobbles, eight.

**Houtteman To Go?**  
Getting back to the pitching, rumors again popped up yesterday that Houtteman would be traded to the Yankees. It was speculat-

ed that the New Yorkers offered four players, including pitcher Ewell Blackwell, but the Tigers refused and asked that Irv Noren, a left-handed hitting outfielder, be included.

At any rate, Houtteman will attempt to even his record against the White Sox. They beat him May 9, knocking him out with a 10-run explosion in the fourth inning.

Rogovin, a former Detroit, is 1-1 this season with his old mates. He lasted only 5 1-3 innings on April 23, giving up 10 hits and losing an 8-4 decision. He evened matters May 10th with a 10-5 victory. He went the full route and was touched for 11 hits.

## Bob Cerv Stars As Kansas City Wins

(By The Associated Press)  
Kansas City, with outfielder Bob Cerv stealing the show, swept a doubleheader from Minneapolis Thursday night while Indianapolis won a pair from Columbus to continue in second place behind the leading Blues by one game.

The American Association front-runners downed the Millers 4-2 and then took a 4-1 decision in a game halted after seven innings by rain.

In the opener, Cerv accounted for two runs with a double and broke a 2-2 deadlock in the seventh inning with a two-run homer.

The Tribe edged Columbus 6-5 and 4-3.

Louisville beat St. Paul 5-4 in the opener of a doubleheader. The Saints took the afterpiece 7-3.

Toledo buried Charleston 11-0.

## Yesterday's Stars

Batting—Red Schoendienst, St. Louis Cardinals, collected three singles in five times up to take over the batting lead in the National League with an average of .365.

Pitching—Carl Scheib, Philadelphia Athletics, took over in fourth inning from injured Bobby Shantz and held Boston to two hits as the A's beat the Red Sox, 9-0.

## Hold May Queen Event On Sunday

Traditional Crowning of the May Queen will be held on the lawn of St. Francis de Sales school Sunday afternoon, beginning at 4, it is announced by the Rev. F. M. Scheringer, pastor of St. Francis de Sales Church.

The outdoor ceremony was made necessary this year because of fire damage in the church.

Charlotte McNamara, daughter of Mr. and Mrs. Leo McNamara, has been chosen for the honor of placing a wreath of flowers on the image of the Blessed Virgin Mary, Queen of the May. Her attendant will be Francis Laurion, president of the Catholic Youth Organization.

Other girls of the CYO who will participate in the ceremony are Adele Frankovich, Joan Benish, Dorothy Selling, Carol Barker, Donna Popour, Clara Frankovich, Mary Frankovich, Mary Giovannini, Patricia Vezina, Helen Charron, Loretta Charron, Gail LaBrasseur, Beverly Gentz, Roberta LaFolle, Clara McNamara, Laura Pizzala, Mavis Talbot, June Oliver, Jean Schruer and Mary Stewart. They will be attired in formals and will carry fresh flowers.

Young men attending the girls will be Robert Smith, William Ekdahl, Fred Binder, Warren Deloria, James Redeker, Joseph Nelson, Robert Corson, Kenneth Dixon, Jerry McNamara, Dan Harbick, Harvard Lancour, Morris Powers, Jerome Gregurash, Pat LaFave, Gary Farley, Thomas Quinn, Darryl Bertrand, John Bellville and Larry Stoken.

The Rosary Procession also will include boys and girls of the school, dressed in white, and the full staff of 40 vested altar boys.

The Litany of the Blessed Virgin will be chanted by the student choir and the assembly of people. A sermon, "Mary, Our Life, Our Sweetness and Our Hope" will be delivered by the Rev. Scheringer.

Benediction of the Blessed Sacrament will conclude the ceremony.

## Joseph DeCent, 75, Dies On Thursday

Joseph DeCent, 75, died Thursday forenoon at Cloverland Lodge following a lengthy illness. He had been at the lodge since January except for a brief period spent in a hospital.

Born Dec. 13, 1877, in Rogers City, he came to St. Ignace in early youth and had resided in the Manistique area for over half a century. His principal employment during his active years was in logging operations.

He is survived by a brother, Peter, Manistique, and two sisters, Mrs. C. L. DeSautel, Manistique, and Mrs. Bertha Ridlon, Crosby, Minn.

Funeral services will be held at 9 a. m., Saturday at the Oak theater (where St. Francis de Sales Church services are now conducted), and burial will be made in Fairview cemetery under the direction of Kefauver and Jackson Funeral Home.

## City Briefs

Sgt. and Mrs. John Bouchard and two children, Tommy and Kathy, returned Wednesday to their home in Springfield, Mass., after spending two weeks here visiting Mrs. Bouchard's parents, Mr. and Mrs. Thomas Grimsley, 124 N. Mackinac Ave. Mrs. Bouchard is the former Jean Grimsley.

The Rev. and Mrs. Paul Sobel and children have returned from a month's tour of the south during which they visited in New Orleans, La., Atlanta, Ga., and Nashville, N. C. A planned visit with relatives in Tampa, Fla., had to be cancelled because of an enforced stay in New Orleans due to an auto accident.

Mr. and Mrs. Archie Carpenter, 110 N. 5th St., have returned after spending a few days in Detroit visiting their daughter and family, Mr. and Mrs. Orville LaVigne. While there another daughter and son-in-law, Mr. and Mrs. Louis Pucek, of Akron, Ohio, visited them.

Mr. and Mrs. Earl Cox have returned from Grand Rapids, where they attended the funeral of his sister, Mrs. Alvin Howes, who passed away May 17.

Mr. and Mrs. Wilfred Charron and daughter, Mary, of Seneca, S. D., and Mrs. Joseph Kelley, of Iron Mountain, have returned after visiting here for a few days with Mr. and Mrs. A. J. Cayia, Mr. and Mrs. Lyle Charron and Mrs. Dell Bruley.

Mr. and Mrs. Fred Cried, of Indianapolis, Ind., visited here recently with her parents, Mr. and Mrs. A. J. Cayia, 364 Lake street.

More people get more news from newspapers than from all other sources combined.

# MANISTIQUE

## Pistol Club Has Monthly Banquet Wednesday Night

High winds hampered shooting activities by the Manistique Rifle and Pistol Club at its monthly banquet Wednesday night. Although some good scores were recorded, results were not tabulated.

The banquet, featuring roast beef, was prepared by William Barker. In charge of banquet arrangements were N. H. Modders, Donald McNally, William Seales, Harold Snyder, Paul Hansen and George Kerr.

About 35 members were present. A squad of workers who cleaned up premises prior to the banquet discovered a dead partridge in the club building. The bird had flown into the building through a window, breaking the glass and killing itself.

## Solicitors For Drive Selected

Solicitors for the annual Girl Scout financial drive, slated to open Monday, May 25, have been named by Mrs. Milton Ketcik, finance chairman of the Manistique Girl Scout Council.

The list follows: Mrs. Dale Ott, Mrs. Leonard Stoor, Mrs. James Fyvie, Mrs. Paul Knight, Mrs. T. H. Reque, Mrs. Carl Olson, Mrs. Omer Dybevik, Mrs. E. J. Brenner, Mrs. Barney Johnson, Mrs. A. F. Hall, Mrs. E. J. Doyle, Mrs. R. E. Shining, Mrs. E. R. Crook, Mrs. A. W. Cockram, Mrs. John W. Kelly, Mrs. William Grant, Mrs. Carl Makel, Mrs. N. H. Modders, Mrs. Aldred Farley, Mrs. Alvin Nelson, Mrs. A. J. Nastoff, Mrs. Ralph Williams and Mrs. Charles Bush.

Goal has been set at \$832, most of which will be used for promotion and participation in the Girl Scouting camping program. The community has 11 active troops, with 161 registered Girl and Brownie Scouts. Girl Scouting has been active in Manistique for the past 33 years.

The local Girl Scout organization also is one of the joint owners of Camp Timber Trail, located at Skeel's Lake on Federal Highway 13.

## Moburg Cites Plasma Need

The importance of blood plasma in saving lives of accident victims is stressed by Kenneth Moburg, administrator of Schoolcraft Memorial Hospital, in urging persons between the ages of 18 and 59 to register for the blood procurement clinic here June 5.

"More people die each year from accidents than any other cause," Moburg said. "In many of these cases either whole blood or plasma, if given immediately, can sustain life long enough to allow a physician to give further treatment."

"But if blood is to be used, it must be of the right type," he pointed out. "The minute it takes to cross-match whole blood or the hours it may require to find donors, type and cross-match their blood, are the minutes and hours which may mean the difference between life and death."

"Blood plasma, stored at the hospital, does not have to be typed or cross-matched," Moburg said. "It is ready for immediate use."

Approximately 110 volunteer donors are needed to replenish the plasma supply in Manistique. Persons willing to donate a pint of blood at the clinic are requested to call Mrs. W. A. Corson, recruitment chairman, by May 25. Her telephone number is 103.

The procurement clinic will be held at the K-C hall from 1 to 7 p. m. June 5, under the auspices of the Schoolcraft Memorial Hospital Auxiliary.

## Church Services

## Parley Purchases Another Chair For Memorial Hospital

Another nursery chair for Schoolcraft Memorial Hospital has been purchased by the Past President's Parley of the American Legion Auxiliary and will be presented to the institution by Mrs. George Weber and Mrs. George Huber, it is announced.

The parley held a regular meeting Monday night at the home of Mrs. Frank Pavlov, N. Maple Ave., at which time approval of the chair purchase was made.

The group also ordered cards sent to Mrs. L. J. McLaughlin and Mrs. Roda Ekberg. Mrs. Ekberg is a patient in an Ann Arbor hospital.

Plans for a picnic will be discussed at the next parley meeting, scheduled for Tuesday evening, June 2, at the home of Mrs. Anton Weber, 220 Maple Ave.

After the business meeting cards were played, with the prize going to Mrs. Anton Weber. Lunch was served later.

## Death Claims Local Woman

Mrs. Ethel Sromovsky, 36, of 215 E. Elk St., died at 2 a. m. Thursday in Rogers Memorial Hospital, Oconomowoc, Wis., where she had been a patient only a short time. Although she had been in failing health for the past three years, death was unexpected.

She was born June 3, 1916, in Detroit and came to Manistique with her parents in 1919. She was a graduate of Manistique high school.

She was married Aug. 29, 1940, to Francis Sromovsky who passed away in September, 1947.

She was a member of St. Francis de Sales Church and the Women's Catholic Order of Foresters. For the past seven and one-half years she served as deputy city treasurer.

She is survived by one son, Lawrence Anthony Sromovsky, and her parents, Mr. and Mrs. Anthony Busch, of Manistique.

The body is being prepared for burial at the Messier-Broulliere Funeral Home here. Funeral arrangements will be announced later.

## Baby Strangled

COLUMBUS, O. (AP)—James Lewis Schneider, 5½-month-old son of Mr. and Mrs. Howard D. Schneider died of strangulation Tuesday when his head became caught in the panels of a folding chair placed near his bed to prevent him from falling out. Schneider, an Ohio State University student, and his wife live in a trailer.

## Baccalaureate Mass To Be Held

Following a custom that goes back to the Middle Ages, a Baccalaureate Mass will be offered at 10 a. m., Sunday in St. Mary Magdalene Church, Cooks, it is announced by the Rev. Charles J. Carmody, assistant pastor of St. John the Baptist Church in Garden.

Parishioners who are members of the 1953 graduating class at Cooks high school will attend, attired in traditional cap and gown.

The Mass of the Feast of Pentecost will be celebrated by the Rev. Carmody. Music will be furnished by the parish choir.

Graduates who will attend include Kathleen Roberts, Phyllis Ann Bouchard, Mary Meadow, Patricia Archambeau and Donna Jean Wolfe.

## Social

**Pink and Blue Shower**  
Mrs. Arthur Denny Jr., of Munising, formerly of Manistique, was honored at a pink and blue shower Monday evening at the Odd Fellows hall in Munising. Hostesses were Mrs. Earl Drake, Mrs. Alton Rexstew, Mrs. Lawrence Courter and Miss Jean Drake.

Games were played during the evening with prizes going to Mrs. Ella Mellin, Mrs. Arthur Frechette and Mrs. Ed Armstrong. The special award was also given to Mrs. Frechette and the traveling prize to Miss Ella Drake.

Lunch was served later from a table decorated in pink and blue.

Mrs. Denny received many gifts.

Those attending from out of town were Mrs. Ed Armstrong and Mrs. Edith Belanger, of Manistique, and Mrs. Jack Reiter, of Shingleton.

Mrs. Denny is the former Betty Bellore, daughter of Mr. and Mrs. William Bellore, N. Cedar street.

## Dahlke Elected Zone Chairman

Linwood Kell of Menominee was elected district deputy governor and Norman Dahlke, Escanaba, was elected zone chairman of this zone, District 10, Lions International, at a zone meeting of club officers and directors last night at the Sherman Hotel.

There were 34 officers of various Lions clubs in the zone in attendance at the meeting and Stephenson Lions Club won the plaque for best attendance.

The group voted to recommend maintenance of the zone as it is now constituted, plus the addition of the Wells Lions Club, District Governor Walter Wilson, St. Ignace, had suggested that the zone be divided into two zones.

## Jefferson PTA Entertains For Sixth Graders

The Jefferson PTA entertained the sixth grade students at a banquet at the First Presbyterian Church.

Mrs. Frank Mattox, president of the PTA, announced the following program:

Brief talk — Mrs. Catherine Locke, principal of the Jefferson School

Brief talk — Clarence Zerbel, principal of the Junior High School

Presentation of past president's pin—given to Mrs. Glenn Matheeson by Mrs. Mattox

Introduction of the 6th grade pupils and their parents — Miss Berenice Kirkus, 6th grade teacher.

The remainder of the program consisted of singing, instrumental solos, and folk dancing by the sixth graders under the direction of Miss Kirkus and Miss Norma Latola, elementary music supervisor.

Members of the Jefferson 6th grade are Donald Brunelle, Sharon Bathazare, Billy Jan Carlson, Carol Caron, Louis Carr, Virginia Clairmont, Carol Ann Coplan, Sharon Coraler, Judith Degeneffe, Gerald Dupont, Veronica Grenholm, Gerald Groff, John Hadlock, Geraldine Jefferson, Mary Jerow, Richard Jones and Jack Kragdahl.

Robert LaComb, Jack Lindstrom, Frank Mattox, Billy Larsen, Sherwood Morey, Marvin Nault, Roy Olson, Peter Olson, Penny Peterson, Mary Lynn Peterson, Suzanne Rubelin, Barbara Savard and Billy Wellman.

## Bark River

BARK RIVER—Kenneth Keul arrived Saturday from Norfolk, Va., where he is stationed in the Navy for a 15 day furlough. He is visiting his mother, Mrs. William Boyle.

Miss Maurine Krause returned home on Sunday from Milwaukee where she had gone the earlier part of the week for a visit and to attend the wedding of a friend.

The Rosary Society of St. George's Church is holding a bake sale Saturday, May 23 at the Co-op.

## Extension Group Dinner

The Bark River Home Extension group closed the year at a banquet Tuesday evening at Fleetwood's, Spalding. An interesting program was presented at the close of the meal by Mrs. Carl Ahlin and Mrs. John Krause, concluding with group singing. Mrs. John Barr of Pasadena, Calif., former resident of Bark River, and her mother, Mrs. Mary Meyers, were guests of the group.

Mrs. A. E. Anderson returned from Detroit where she spent a week attending the Executive Board meeting of the W. C. S.

## Junior High Students Present Style Revue

The annual Escanaba Junior High School style show was presented this afternoon at 3 p. m. in the William Oliver Memorial Auditorium with 175 8th and 9th grade home economics students participating. The girls modeled their costumes before their mothers and friends in a setting of an "Old Dutch Garden."

After the style show, the guests were invited to the home economics room, beautifully decorated by the students, for a tea.

Those on the stage decoration committee were Sharon Moroy, chairman; Beverly Dambrosio, Janice Dubord, Laurie Dunklee, Donna Jacobsen and Margaret Kroll. Marlene Dahlvik and Janice McFadden composed the script. The style show was under the direction of Mrs. Doris Swanson, whose classes were in charge of the show.

Those on the refreshment committee were Delores J. Anderson, Violet Baldwin, Annette Courier, Jackie Goodreau, Sally Honeywell, Wanda Stankowicz, Donna Olson, Judy Oman, Donna Owen, Maxine Sheedlo, Rose Mary Soper, Betty Whitney and Eleanor Nelson. The tea was under the direction of Miss Marion Shane, whose classes were in charge of the tea.

**Eighth Grade Models**  
Christine Matthews welcomed the guests and introduced the announcer of the show, Marlene Dahlvik and Sandy Williams designed and made the invitations. Background music was furnished by Laurie Dunklee and Lorraine Olson at the piano.

Eighth grade girls who modeled were Merle Anderson, Violet Anderson, Paula Anutta, Darlene Beauvais, Margaret Besaw, Sally Boddy, Jane Boucher, Susan Brackett, Carolyn Breitenbach, Barbara Backland, Noella Chevalier, Beverly Congleton, Lois Cooper, Yvonne Costell, Karen Couillard, Nancy Courier, Joyce Curtis, Diane Dahlvik, Patsy DeMars, Celeste Dimock, Dorothy Dimock, Reatha Doran, Carol Engbreton, Judy Erickson, Nancy Erickson, Ann Fawcett, Jean Ford, Patsy Garbett, Sandy Gayeff, Sharon Greis, Kathleen Gustafson, Nancy Hanson, Jane Heiden, Sharon Herro, Charlotte Holmes, Maxine Honeywell, Katherine Jerrow, Marilyn Johnson, Jessie Jones, Mary Katrinski, Karen Kent, Beverly Kidd, Helen Kivi, Lillian LaBlanc, Bonnie LaCombe, Helen Leach, Laurel Lewis and Ann Long.

**Obituary**  
FRANCIS A. DENNY

The body of Francis A. Denny will arrive here Saturday morning from Adrian where Mr. Denny died Tuesday. He will lie in state at Alto Funeral Home beginning at 10 Saturday morning. The funeral will be Saturday afternoon at 3 in the funeral home, with Rev. Gerald Bowen of Rapid River officiating. Mr. Denny will be buried in Rapid River Cemetery.

**William A. Coy, 67, Of Gladstone, Dies**  
William A. Coy, 67, Gladstone Rte. 1, died this morning at 5:20 in St. Francis Hospital. In failing health the past 15 years, he had been a hospital patient four days.

Born August 11, 1885, in Havana, Ohio, Coy was a resident of the Gladstone area over 30 years. Before ill-health forced his retirement, he was an employee of Northwestern Coopers and Lumber Co. He was a Methodist. He is survived by his wife, the former Edith Walker; by four daughters, Mrs. Patrick (Dorothy) Eagle of Perkins, Mrs. Cyril (Alice) Page of Minneapolis, Mrs. Herbert (Naomi) Besson of Green Bay, and Mrs. Julius (Holly) Wagner of Cedar Springs. Also surviving are 22 grandchildren and one great-grandchild.

The body has been taken to Skradski funeral home, Gladstone, where friends may call beginning Saturday evening at 7. Rev. Mel-don Crawford will conduct funeral services Monday afternoon at 2 in the funeral home. Burial will be in the family lot in Fernwood cemetery.

## Houses Vanish In Port Huron-Sarnia Tornado

(Continued From Page One)

was mostly to residential property. Many persons reported lucky escapes as their homes vanished into the howling wind.

The twister dipped and rose freakishly from St. Clair County, Mich., through Memphis, Columbus, and Smiths Creek before hitting Southern Port Huron at 4:40 p. m. (EST).

## Train Crew Injured

Roaring across the St. Clair River, the storm hit the Sarnia business district. The Imperial Bank building and the Vendome Hotel lost their top floors.

Acting Mayor Clayton Saylor of Sarnia called it "one of the worst disasters that ever hit this part of the country."

Near Smiths Creek, the storm hurled 15 cars of a Grand Trunk Line freight train off the tracks. William K. Gibbs, 52, of Detroit, the conductor, and Robert Grant of Ferndale, Mich., brakeman, were injured.
